CITY OF HORSESHOE BAY
NOTICE OF PUBLIC MEETING

AGENDA

January 19, 2016

Notice is hereby given to all interested members of the public that the Horseshoe Bay City Council will hold a Public Meeting at 3:00 p.m., on Tuesday, January 19, 2016 at City Hall, #1 Community Drive, Horseshoe Bay, Llano County, Texas. The agenda for the Public Meeting is to discuss and/or act on the following:

1. Call the Meeting to Order and Establish a Quorum
2. Invocation
3. Pledges to the Flags
4. Public Comments: *(Anyone wishing to address the Council please sign in at the podium. When called upon by the Mayor speakers are asked to go to the podium and state your name and address and will be limited to 3 minutes. This is an opportunity for the public to address the City Council on any subject. In accordance with the Texas Open Meetings Act, the Council may not discuss issues raised or make a decision at this time. Issues raised may be referred to staff for research and possible future action.)*
5. Conduct Public Hearing Pursuant to Local Government Code Section 43.063 Giving the Public the Opportunity to be Heard Regarding the Intent to Annex Five Areas Located in the City's Extraterritorial Jurisdiction into the City Limits
6. Discuss, Consider and Take Action Regarding the Annexation of Five Areas Located in the City's Extraterritorial Jurisdiction into the City Limits
7. Items to be removed from the Consent Agenda
8. Consent Agenda Items: *(All items under the Consent Agenda are considered to be routine by the Council and will be enacted by one motion and vote. There will be no separate discussion of items unless a request by a Councilmember is made prior to the time of the Council voting on the motion. In such event, the item will be removed, without debate, from the general order of business and considered in its normal sequence.)*
 - a. Approval of Minutes of the December 15, 2015 Regular Meeting
 - b. Approval of Resolution to Withdraw from Llano County Emergency Management Plan Participation and Adopt a City of Horseshoe Bay Emergency Management Plan
 - c. Approval to Appoint Norm Long to a one-year term as the of Chairman of the Planning and Zoning Commission
 - d. Approval to Change Fire Department Personnel Compensation Pay from Compensation Accrual to Overtime Pay Per the Personnel Policy Article VI, Payroll, Section 4, Payment of Overtime Pay Services
 - e. Approval of Resolution to Designate the City's Official Newspaper
9. Monthly Statistical Departmental Data Reports
 - a. City Manager; Administration; Community Services; Development Services; Fire Dept.; and Police Dept.
10. Presentation of City Quarterly Financial Report
11. Update Regarding the Street Improvement Plan
12. Discuss, Consider and Take Action Regarding Mausoleum Road Improvement

13. Discuss, Consider and Take Action Regarding Open and Concealed Carry and Firearm Signage
14. Discuss, Consider and Take Action Regarding Request by The Bible Church of The Lakes for a Variance from Section 3.06.016(5) of the Sign Ordinance to Allow an Exempt Freestanding Sign that Exceeds the Maximum Size Requirement of 16 Square Feet (24101 Highway 71 E. in the ETJ)
15. Discuss, Consider and Take Action Regarding the Preliminary Plat of Gynergy Villas At Horseshoe Bay, a 63 Lot R-4 Townhouse Subdivision, With Two New Streets, a Clubhouse, a Swimming Pool, a Water Feature and Several Common Areas, Including a Common Area For a 40,100 Cubic Foot Retention Pond on a 10.95 Acre Tract (On The Northwest Side of Golden Nugget, Southwest of The First Lot on The Northwest Corner of Golden Nugget and Broken Hills, and across from Westgate Loop And Westgate Subdivision)
16. The City Council, meeting as the Board of Adjustment, will Conduct a Public Hearing, Discuss, Consider and Take Action Regarding:
 - a. Request for a Variance from Section 14.02.406(a)(5) of the Zoning Ordinance Which does not Allow Visible flat Roofs on any Building or Structure, to Allow Construction of a new Residence with a Visible flat roof on Lot No. 12027-A of Horseshoe Bay (402 Lighthouse Dr.)
17. Adjournment

Teresa L. Moore, City Secretary

The Council may go into Executive Session, if necessary and appropriate, pursuant to the applicable section of the Texas Open Meetings Act, Texas Government Code, Chapter 551, Subchapter D, on any matter that may come before the Council that is listed on the Agenda and for which an Executive Session is authorized. No final action, decision, or vote will be taken by the Council on any subject or matter while in Executive Session. Any action, decision or vote will be taken by the Council only in open meeting.

Certificate of Posting

I, Teresa L. Moore, City Secretary for the City of Horseshoe Bay, Texas do certify that this Notice of Meeting was posted at City Hall, in a place readily accessible to the general public continuously 72 hours prior to the meeting.

Re: Discuss, Consider and Take Action Regarding the Annexation of Five Areas Located in the City's Extraterritorial Jurisdiction into the City Limits

Under this item Council and staff can talk about anything pertaining to annexation in general and in particular with this annexation under consideration now.

This item is an action item this meeting and action(s) can be taken by Council, if they so choose. For example, if Council wants to consider and make a motion to exclude an area from further annexation consideration that can be done.

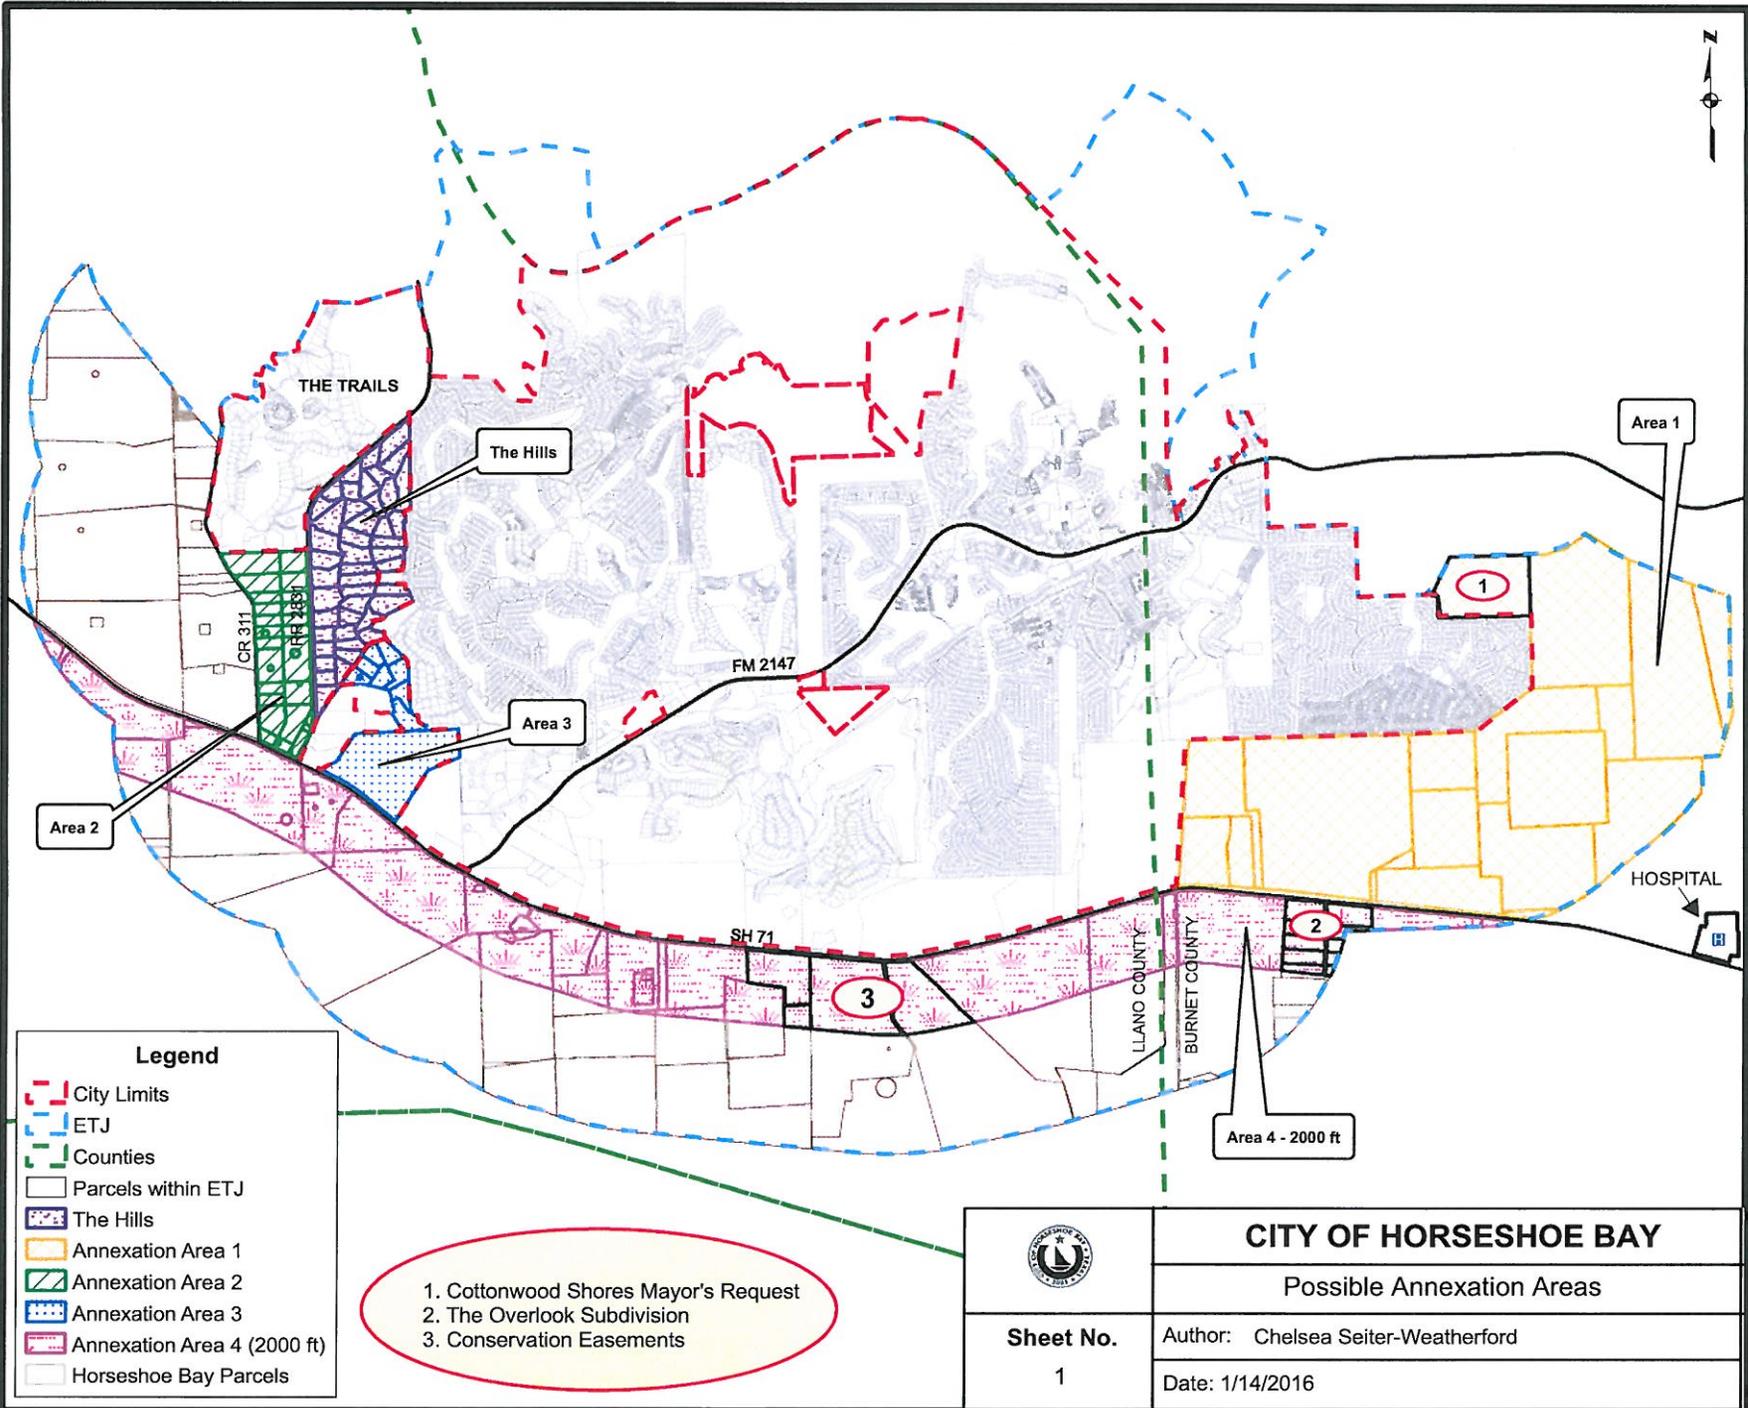

On the enclosed map you will see three areas numbered that could possibly be considered for removal from consideration.

- 1) The 90 acre tract that Mayor Orr of Cottonwood request we keep in the ETJ
- 2) The Overlook subdivision that has sufficient CCRs to prohibit undesirable development
- 3) Parcels that may contain sufficient safeguards against undesirable development

The City Attorney has reviewed The Overlook CCRs to date and will review the #3 parcels' wildlife conservation easement documents by the January 19 meeting.

Staff, to include the City Manager, City Attorney and Development Services Manager, will cover and share any new information pertaining to the annexation, in addition to any other items you would like to discuss.

Enclosures: Latest Proposed Annexation Map dated January 14, 2016

RE: Minutes of the December 15, 2015 Regular Public Meeting

Enclosures: Minutes

CITY OF HORSESHOE BAY
CITY COUNCIL MEETING
MINUTES

The City Council of the City of Horseshoe Bay held a Public Meeting at City Hall December 15, 2015, beginning at 3:00 p.m. in accordance with duly posted notice of said meeting with the following members present:

Stephen T. Jordan, Mayor
Craig Haydon, Mayor Pro Tem
Cynthia Clinesmith, Council Member
Jerry Gray, Council Member
Reagan Lambert, Council Member
David Pope, Council Member

The posted agenda for this meeting is made a part of these minutes by attachment and the minutes are herewith recorded in the order the agenda items were considered, with the agenda item number and subject shown preceding the applicable paragraph.

1. Call the Meeting to Order and Establish a Quorum: Mayor Jordan called the meeting to order at 3:00 p.m. stating a quorum was present. He said copies of the agenda were available on the podium and asked that anyone who would like to make comments please sign the sheet on the podium and go to one of the podium microphones when it was their turn to speak.
2. Invocation: Father Ruben Patino with the St. Paul the Apostle Catholic Church in Horseshoe Bay gave the invocation.
3. Pledges to the Flags: Mayor Jordan led the pledges of allegiance to the United States flag and the Texas flag.
4. Public Comments: Llano County Precinct One Commissioner Peter Jones reported that the Judges and Commissioners' Conference for Western Texas would be held in the City April 26-29, 2016. He said that the Western Texas region is comprised of about 119 counties with Llano County being the eastern most county of the region and they would be serving as the host county of this event. The activities would be held at The HSB Resort and mostly take place there. Llano County will host one evening either at Quail Point or at The Resort. Commissioner Jones stated this will be a great opportunity for promotion of the City of HSB. He said there will be the opportunity for booths, etc. at this convention at The Resort. Commissioner Jones recognized The Resort for supporting this event by providing an evening for this event at the cost of The Resort.
5. Discuss, Consider and Take Action Regarding Approval of Resolution Amending Depository Accounts Delegated Authority: Finance Director Larry Anderson reported items 5 and 6 are related and this action was necessary because previously Phillip Lee was a signatory on the

City's accounts and he was no longer on the Council and needed to be replaced. The option could also be replacing Council Member Pope. Mr. Anderson stated this was necessary mostly to co-sign checks with the City Manager for large contracts above what would be considered a normal amount. Mr. Anderson said he had authority to sign checks up to a certain limit then City Manager Farmer could sign for a higher limit as well as recurring checks over that limit. Mayor Pro Tem Haydon made the motion to approve the resolution to reappoint David Pope and add Jerry Gray to serve in this capacity, seconded by Council Member Clinesmith. Motion passed unanimously (5-0).

6. Discuss, Consider and Take Action Regarding Approval of Resolution Amending Authorized Representatives for TexPool: Finance Director Larry Anderson said this item was similar in nature but TexPool was where the City deposits the investment funds. It is the State fund where many cities keep their funds for investment purposes. Mr. Anderson said this was not used as often but sometimes it does require a wire transfer and an additional signature would be required. Mayor Pro Tem Haydon made the motion to approve the resolution to reappoint David Pope and add Jerry Gray to serve in this capacity, seconded by Council Member Clinesmith. Motion passed unanimously (5-0)
7. Discuss, Consider and Take Action Regarding Request by Residents on Red Sail to Allow Construction of a Gate Before 1014 Red Sail: City Manager Farmer reported Ken Landry lives at the end of Red Sail and had submitted the request to the City for permission to install the gate. Mr. Landry explained the unique problem at the end of Red Sail is a result of the turnaround being located four houses before the end of the road. The road continues past there with no place for vehicles to turn around. He said the traffic that goes in and out of Quail Point was primarily the traffic on this area of Red Sail. Mr. Landry said during the last couple of years since Quail Point had become a more popular venue he believed traffic had increased substantially. He said the last four homeowners that are affected by this had requested permission to build a gate that would eliminate traffic going past the turnaround and had asked the City to install signage along Red Sail to help minimize the traffic that gets to the turnaround on Red Sail. Mr. Landry contacted City Manager Farmer who requested he contact the neighbors located outside the proposed gate. They in turn contacted the City and were in favor of the signage but not the gate. Mr. Landry said the four affected homeowners past the turnaround were willing to try the signs or anything that might help eliminate this traffic as it is unsafe and a nuisance. He stated at this time they would withdraw their request for the gate and see how the added signage worked; however, he would like to reserve the right to revisit the gate issue with Council if the signs did not take care of the problem.
8. Items to be removed from the Consent Agenda: There were no items removed from the Consent Agenda.
9. Consent Agenda Items:
 - a. Approval of Minutes of the November 17, 2015 Regular Meeting
 - b. Approval of Personnel Policy Revisions: Article XIII, Appendix B: Salary Tables:
 - i. Change Job Title from Development Services Manager to Development Services Director
 - ii. Add Job Title Project Administrator

City Manager Farmer reviewed these items for the Council. Mayor Pro Tem Haydon made the motion to approve the Consent Agenda, seconded by Council Member Gray. Motion passed unanimously (5-0).

10. Monthly Statistical Departmental Data Reports:

- a. City Manager; Administration; Community Services; Development Services; Fire Dept.; and Police Dept.

City Manager Farmer reported he met with City Attorney Rex Baker, Development Services Director Eric Winter, Community Services Director Jeff Koska and City Secretary Teresa Moore to determine the timeline and the schedule for publishing the public notices required for the proposed annexation. He said there had been two mailings as of this date. The first notified all affected property owners of the dates of the public hearings. The second letter was sent only to the agriculture exempt properties which included the development agreement for one year with the option of signing. He said the public notices will be published in City's official newspaper, The Highlander, on December 29 and January 1 and also in The Beacon on December 31 and January 7. Mr. Farmer said these notices speak about the two public hearings on January 12 at 9:00 a.m. and January 19 at 3:00 p.m. He added that after the public hearings there would be an ordinance that the Council would have until April 11 to deliberate and take action on any annexation. Mr. Farmer reported part of that discussion was the Service Plan which is a requirement by the State that the City has to provide the Council and the public that shows the cost of services. He said usually that was presented closer to the date the annexation ordinance was considered but he said he would have these ready for the Council packet for the January 12 workshop. He said they are broken down by the five areas to be annexed. Mayor Jordan said the morning portion of the workshop would be dedicated to items such as the annexation. The Planning and Zoning Commission would be invited as well as members of the Long Range Planning Advisory Committee. He said the afternoon portion of the workshop would deal specifically with the Long Range Planning Advisory Committee. Council Member Clinesmith stated she had been approached by several people asking why the City was not waiting for the Long Range Plan to be completed and in place to consider this annexation. She wanted to clarify that the Long Range Planning Advisory Committee was being brought into this but City business does continue. Mayor Jordan said Stan Farmer and Eric Winter had met with the LRPAC to go over where the City stands on this.

City Manager Farmer reported the Deer Trapping Study Group was made up of eight people and he had notified them to let them know he would contact them after the first of the year. There are four residents of the City and four experts in the field selected work on this project.

Development Services Director Eric Winter reported that work was underway on the Texan Mart and they had started the structural improvements and the front exterior of the building would be done in conjunction with the other improvements. The owner appeared at Municipal Court and gave the judge an update on their progress. The Municipal Court

judge continued their case until the January 14th meeting when they will provide another update.

Community Services Director Jeff Koska reported that on January 2015 the LCRA elevated their raw water rate from \$151 acre/ft. to \$175 acre/ft. due to the drought in order to elevate revenue to compensate for the lower usage due to the drought. Mr. Koska said the City did not pass that increase along to users. He said the LCRA had announced they would be dropping the rate down to \$145 acre/ft. and if you consider the water usage in 2015 this could save the City around \$56,000 in revenue.

11. Update Regarding Street Improvement Plan: City Manager Farmer said this was the fifth update for The Highlands Boulevard/Clayton Nolen area which was almost complete and ahead of schedule. He said the project was under budget for several items. The project had been 100% bomaged, 100% curbed and about 98% paved. The only remaining area to pave was from the intersection of Mountain Dew and Clayton Nolen downhill to Hwy 2147. HSB POA General Manager Nancy Ritter reported the POA and Resort are improving the entrance off Hwy 2147 on Clayton Nolen to look more like the HSB Boulevard entrance on the north side. New fountains were installed recently and the trees will be removed and the pipe underneath the road connecting the ponds was to be replaced. The area in the middle of the two lanes on Clayton Nolen would be filled in and the area re-landscaped down to Hwy 2147. Ms. Ritter also reported they had removed the tower at The Highlands entrance on Hwy 2147. The landscaping and uplighting would be replaced as soon as possible. City Manager Farmer reported the City has had the accentuated dip removed at The Highlands entrance. Charlie Suggs asked if there was going to be additional paving done on Mountain Dew but Mr. Farmer said the City has paved as far on Mountain Dew as they were going to at this time. A Council decided many years ago, there were not enough houses to meet the formula to pave farther.
12. Public Hearing, Discuss, Consider and Take Action on an Amendment to the Zoning Ordinance to Increase the Number of Planning and Zoning Commission Members From Three to Five to Help Ensure That Scheduled Planning and Zoning Commission Meetings Have a Quorum: Mayor Jordan convened the public hearing at 3:40 p.m. He asked if there were any comments. Council Member Gray commented that having been a part of the P & Z for a period of time and because there were only three members it did on occasion make it difficult to have a quorum for meetings. Mayor Jordan adjourned the public hearing. Mayor Pro Tem Haydon made the motion to approve the ordinance amendment to increase the number of members from three to five, seconded by Council Member Gray. Motion passed unanimously (5-0).
13. Discuss, Consider and Take Action Regarding Resolution to Appoint Three to Five Members to the Planning and Zoning Commission: Mayor Pro Tem Haydon made the motion to reappoint Norm Long and Neal Andrews to two year terms, seconded by Council Member Gray. The motion passed unanimously (5-0). Mayor Pro Tem Haydon made the motion to appoint Pat Boushard to a one year term to fill the existing vacancy and to appoint Wayne Anderson to a one year term and Lynette Morrison to a two year term, seconded by Council Member Gray. Motion passed unanimously (5-0)

14. Discuss, Consider and Take Action Regarding Resolution to Appoint Five Members to the Parks Advisory Committee: Mayor Jordan reported this committee had not met in the current calendar year as there had no activity to deal with; however, hopefully the new Horseshoe Creek Park hiking trail will begin construction in 2016. City Manager Farmer reported the City was waiting on TxDOT to get US Fish and Wildlife approval prior to beginning construction which should be in the spring of 2016. Council Member Pope made the motion to appoint Michael Widler and Carrie Foran to two year terms, seconded by Mayor Pro Tem Haydon. Motion passed unanimously (5-0). Council Member Pope made the motion to appoint Charlie Suggs as the HSB Property Owners' Association representative, seconded by Mayor Pro Tem Haydon. Motion passed unanimously (5-0). Council Member Pope made the motion to appoint Bryan Pokluda and Patti Woolard to one year terms to replace Neal Younker and Phil Schoch, each who had resigned to serve in other capacities, seconded by Mayor Pro Tem Haydon. Motion passed unanimously (5-0). Council Member Pope made the motion to approve the resolution with these nominations, seconded by Council Member Clinesmith. Motion passed unanimously (5-0).
15. Discuss, Consider and Take Action Regarding Resolution to Appoint Two Members to the Fuchs' House Committee: Mayor Jordan reported this is an historic monument and the project had been held up waiting on the transfer of ownership to the City and Ron Mitchell was working on making this happen as soon as possible. Council Member Jerry Gray made the motion to appoint Francie Dix and Virginia Roberts to two year terms, seconded by Mayor Pro Tem Craig Haydon. Motion passed unanimously (5-0). Council Member Gray made the motion to approve the resolution with these nominations, seconded by Mayor Pro Tem Haydon. Motion passed unanimously (5-0).
16. Discuss, Consider and Take Action Regarding City's Contribution Policy to Llano County and Marble Falls Libraries: Mayor Pro Tem Haydon reported the practice was developed because the City does not have a library and because of this the City could donate to the Llano County Library and the Marble Falls Friends of the Library. The City does this each year. He said the Council discussed long range planning and he thought this would be a good time to re-evaluate what the City wants to do regarding providing library services to citizens. Council Member Pope reported he had looked at the benefits of making this contribution and felt there was a benefit; in addition he noted that roughly 60% of property taxes that are collected by Llano County come from HSB. The City, according to the last census is the second most populous city in the county following Kingsland. He added Llano County currently has libraries in Llano, Kingsland and near Tow. Council Member Pope said he observed that the HSB community and residents are not getting any younger. He also noted that significant expenditures by the county for roads and bridges and Sheriff's Department provide little benefit to HSB. Because of that he would like to see if the City could get Llano to locate a branch library here within the next few years. Mayor Pro Tem Haydon reported he had spoken to Mike Walsh regarding the Siena Grove development and the concept of carving out a space that might be a library exchange if the project goes forward. Mayor Pro Tem Haydon made the motion to take this concept and ask the Long Range Planning Advisory Committee to review and advise the Council as whether it would be conceivable, seconded by Council Member Pope. The motion passed unanimously (5-0).

17. Discuss, Consider and Take Action Regarding Progress Report by Builder on Construction at 312 and 316 Nattie Woods and Issuing Building Re-permits: Development Services Director Eric Winter reported he thought the builder would be attending this meeting to request a repermit but he was not present. Mr. Winter said the project was pretty close to completion with the exterior mostly complete but not the interior. He reported there were still inspections that had not been requested that need to be taken care of prior to issuance of a Certificate of Occupancy. Mr. Winter reported this was the third request for re-permits with the first two totaling 150 days in length. The Council waived had the fee on the first request but charged \$500 per home on the second. Council Member Pope made the motion to repermit each house for an additional 60 days with \$1,000 per project permit fee and the understanding if another request for repermits on these projects was made the permit fee would be \$5,000 per project, seconded by Council Member Gray. Council Member Gray asked if the interior portion might possibly be held up due to being speculative homes. Mr. Winter said he believed it was just a matter of not getting it done because the builder had provided him with schedules before and had never mentioned leaving the finishes up to a buyer. Council Member Gray also noted there had not been any inspections since 2014 so it might require some opening up in order to perform the inspection. Mr. Winter stated he had reminded the builder of this several times including today when he spoke to him. Ron Mitchell commented that it was his understanding that when the two units were completed they would be completely furnished out to include dishes and linens. Motion passed unanimously (5-0).

18. Discuss, Consider and Take Action Regarding a Request by City Manager to Apply and Possibly Attend an International City Managers Association Senior Executive Institute Leadership Class in April 2016: Council Member Clinesmith made the motion to approve Mr. Farmer applying to attend and if accepted, attending this class entirely at the City's expense, seconded by Mayor Pro Tem Haydon. Motion passed unanimously (5-0).

At 4:09 p.m. Mayor Jordan announced that the Council would go into Executive Session pursuant to Sections 551.074, Personnel, of the Texas Open Meetings Act regarding agenda items 19 and 20.

19. Discuss, Consider and Take Action Regarding Presentation by City Manager to City Council Regarding Annual Evaluation of:

a. City Secretary

20. Discuss, Consider and Take Action Regarding Annual Evaluation of City Manager by City Council:

Regular Meeting Resumed: At 5:24 p.m., the Executive Session having ended, Mayor Jordan resumed the regular meeting and announced that no action or votes had been taken in the Executive Session.

21. Adjournment: Mayor Pro Tem Haydon made the motion to adjourn at 5:25 p.m., seconded by Council Member Pope. Motion passed unanimously (5-0).

APPROVED this 19th day of January, 2016.

RE: Approval of Resolution to Withdraw from Llano County Emergency Management Plan Participation and Adopt a City of Horseshoe Bay Emergency Management Plan

This resolution declares desire to terminate the previous resolution (RES 07-08-13) passed in July, 2013 that includes the City of Horseshoe Bay under the Llano County Emergency Management Plan and adopts the City of Horseshoe Bay's Emergency Management Plan.

In an effort to best serve the citizens and visitors of Horseshoe Bay with better coordination of effort, equipment and manpower and to ensure the emergency response to disaster situations is accomplished in an expeditious manner in the event of a disaster or civil or national emergency staff requests this change.

If approved by Council the City of Horseshoe Bay's Emergency Response Plan will become effective March 1, 2016 to allow for 30 day written notice to Llano County and the filing with the State of Texas Department of Emergency Management.

Due to the size of Emergency Response Plan and its annexes they are not attached. Please visit Central Fire Station or City Hall (City Secretary's Office) to view the documents.

Enclosures: Resolution

CITY OF HORSESHOE BAY

RESOLUTION NO. RES

EMERGENCY MANAGEMENT PLAN

A RESOLUTION WHEREBY THE CITY COUNCIL OF THE CITY OF HORSESHOE BAY, TEXAS, IN AN EFFORT TO BEST SERVE THE CITIZENS AND VISITORS OF HORSESHOE BAY WITH BETTER COORDINATION OF EFFORT, EQUIPMENT AND MANPOWER AND TO ENSURE THE EMERGENCY RESPONSE TO DISASTER SITUATIONS IS ACCOMPLISHED IN AN EXPEDITIOUS MANNER IN THE EVENT OF A DISASTER OR CIVIL OR NATIONAL EMERGENCY, DECLARES TO TERMINATE THE PREVIOUS RESOLUTION (RES 07-08-13) INCLUDING THE CITY OF HORSESHOE BAY UNDER THE LLANO COUNTY EMERGENCY MANAGEMENT PLAN AND ADOPT THE CITY OF HORSESHOE BAY'S EMERGENCY MANAGEMENT PLAN EFFECTIVE FEBRUARY 1, 2016.

WHEREAS, the City of Horseshoe Bay manifested the City's intentions and agreement to participate in the Llano County Emergency Management Plan with the signature of the Mayor on Resolution # RES 07-08-13 dated August 13, 2007; and

WHEREAS, The City of Horseshoe Bay recognizes the vulnerability of the people to damage, injury, and loss of life and property resulting from natural disasters and/or civil or national emergencies and recognizes that frequent changes and extensive detailed plans required by Federal and State guidelines can be accomplished by the City of Horseshoe Bay's Emergency Management Plan; and

WHEREAS, the City Council is of the opinion that the City of Horseshoe Bay's residents would be better served by terminating the agreement to operate under the Llano County Emergency Management Plan and operate under the City of Horseshoe Bay's Emergency Management Plan; and

WHEREAS, the City of Horseshoe Bay recognizes the need to foster good will and communications with the County of Llano by continuing our participation in the Regional Mutual Aid Plan to assist the CAPCOG ten county region if needed; and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HORSESHOE BAY that:

The foregoing recitals are adopted as findings of fact and incorporated herein for all purposes.

The City Council of Horseshoe Bay hereby terminates the inclusion in the Llano County Emergency Management Plan and expresses its desire and consent to adopt the City of Horseshoe Bay Emergency Management Plan.

ADOPTED AND APPROVED this 19th day of January, 2016 by a vote of the City Council of the City of Horseshoe Bay, Texas.

RE: Approval to Appoint Norm Long to a one-year term as the of Chairman of the Planning and Zoning Commission

Section 14.02.152(h) of the Zoning Ordinance states:

(h) The city council shall appoint a chairperson from among the membership of the P&Z.

Norm Long has been the Chairman since the Planning and Zoning Commission was established on May 19, 2009.

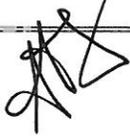

If there is to be any discussion this matter will need to be removed from the consent agenda.

Re: Approval to Change Fire Department Personnel Compensation Pay from Compensation Accrual to Overtime Pay Per the Personnel Policy Article VI, Payroll, Section 4, Payment of Overtime Pay Services

Currently firefighters receive compensatory time for all hours worked in excess of 212 per pay period. This is governed by the Fair Labor Standardization Act (FLSA). Under the same FLSA standard the City is allowed to issue compensatory time or pay those same hours at an overtime rate.

Staff would like to discontinue the long-held standard practice of issuing compensatory time for FLSA hours worked in excess of 212 per pay period and pay all FLSA hours at the applicable overtime rate.

The Personnel Policy Article VI, Payroll, Section 4 which addresses overtime pay to the Fire Department allows compensation of overtime be paid in premium or compensatory pay.

Approval of this item would change the City's standard practice from compensatory pay to premium pay (1-1/2 hourly rate) on all hours in excess of 212 per pay period.

Staff recommends approval of this item.

ARTICLE VI. PAYROLL

Section 1 Salary Periods

Employees shall be paid bi-weekly on Fridays. The pay period contains two (2) workweeks. A workweek runs from 12:01 a.m. on Sunday through midnight the following Saturday. Pay received on Friday pays the employee through the Saturday immediately preceding the Friday pay day and includes two workweeks. Employees must have their pay directly deposited bi-weekly to any financial institution of their choice.

Supervisors will submit approved payroll data to the Human Resources Administrator no later than the Monday morning preceding a scheduled payday.

If a holiday occurs on the week of a pay day, payroll data must be received so that all required payroll activity can be completed without interruptions to direct deposits and payroll checks. The Human Resources Administrator will communicate a time for submission of payroll data during the week prior to the affected pay day.

Section 2 Effective Date of Salary Adjustments

Salary adjustments approved on or after the first working day of a pay period shall become effective at the beginning of the next pay period, or at any subsequent pay period, at the discretion of the initiating Department Head.

Section 3 Payroll Deductions

Federal and state income taxes, social security taxes, retirement, any insurance premiums, and any other deductions required by law or for other fringe benefits will be deducted at each pay period from an employee's pay check as authorized by law. Other deductions will be deducted from an employee's paycheck if authorized by the employee in writing and approved by the Finance Director or his/her designee.

Section 4 Payment for Overtime Service

To the extent that local government jurisdictions are so required, the City will comply with the Fair Labor Standards Act (FLSA or The Act) governing overtime.

Non-exempt employees (excluding Police Officers, Police Investigators, Police Lieutenants and all Firefighters) will be paid at the overtime rate for all hours actually worked in excess of forty (40) hours per workweek. Vacation and sick leave taken during the same workweek in which additional hours were worked will not count toward fulfilling the requirement for qualifying for overtime pay. The Police and Fire personnel excluded above have a separate policy that is addressed later in this section.

It is the City's policy that employees may not begin work early, work during lunch break or continue to work after the end of the normal workday without specific approval by the employee's Supervisor. Overtime work must be of an unusual, unscheduled or emergency nature and be performed at the direction of the Department Head or the authorized representative of the Department Head. Whenever practical, departments will schedule time off on an hour-for-hour basis within the applicable work period for non-exempt employees, instead of paying overtime. When time off within the work period cannot be granted, overtime worked will be paid

at a time-and-one half rate in accordance with FLSA regulations.

Employees in positions determined to be "exempt" from FLSA (as Executive, Administrative, or Professional staff) will not receive pay for hours worked in excess of their normal work periods. These employees may be granted hour for hour compensatory leave by their Department Head. "Exempt" employees may not accumulate more than a rolling total of forty (40) hours of compensatory time and no compensatory time will be paid to the exempt employee upon termination of employment.

Law Enforcement:

For those employees engaged in law enforcement activities who have a work period of at least 7, but less than 28, consecutive days, no overtime compensation is required under section 7(k) of the FLSA until the number of hours worked exceeds the number of hours which bears the same relationship to 171 as the number of days in the work period bears to 28.

The ratio of 171 hours to 28 days for employees engaged in law enforcement activities is 6.11 hours per day (rounded). Accordingly, overtime compensation (in premium pay or compensatory time, at the City's discretion) is required for all hours worked in excess of the 171 maximum hour standard. (rounded to the nearest whole hour).

Fire Department:

For those employees engaged in fire protection activities who have a work period of at least 7, but less than 28 consecutive days, no overtime compensation is required under section 7(k) of the FLSA until the number of hours worked exceeds the number of hours which bears the same relationship to 212 as the number of days in the work period bears to 28.

The ratio of 212 hours to 28 days for employees engaged in fire protection activities is 7.57 hours per day (rounded) Accordingly, overtime compensation (in premium pay or compensatory time, at the City's discretion) is required for all hours worked in excess of the 212 maximum hour standard (rounded to the nearest whole hour).

RE: Approval of Resolution to Designate the City's Official Newspaper

Section §52.004 of the Texas Local Government Code “states as soon as practicable after the beginning of each municipal year, the governing body of the municipality shall contract, as determined by ordinance or resolution, with a public newspaper of the municipality to be the municipality’s official newspaper until another newspaper is selected”.

Section 15.06 of the Charter states: “The City Council shall designate by resolution a newspaper of general circulation in the City as the City’s official newspaper. All ordinances, captions of ordinances, notices, and other matters required to be published by this Charter, by ordinance, or by law, shall be published in the official newspaper. The Council shall have authority to designate other newspapers for publication of notices and general information in addition to notices required by this Charter, ordinance, or law.”

In November 2005 the Council selected *The Llano News* to serve as the City’s official newspaper with publications to also be included in the *Horseshoe Bay Beacon* its sister paper owned by the same entity. The *HSB Beacon* alone does not meet item #3 of the requirements listed below in order to be considered as an official paper:

1. Devote not less than 25% of its total column lineage to general interest items;
2. Be published at least once a week;
3. Be entered as 2nd class postal matter in the county where published (paid subscription newspaper); and
4. Have been regularly and continuously for at least 12 months before the governmental entity or representative publishes notice. GC§ 2051.044

In 2011 The Highlander was designated as the Official Newspaper partially due to wider distribution even though the cost was more and to continue also placing official publications in the Horseshoe Bay Beacon.

Bids were last taken for the Official Newspaper in 2015. There is no requirement as to how often bids are to be taken.

Staff recommends approval of this Resolution.

Enclosures: Resolution

CITY OF HORSESHOE BAY

RESOLUTION NO. RES

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HORSESHOE BAY,
TEXAS DESIGNATING THE OFFICIAL CITY NEWSPAPER**

WHEREAS, Texas Local Government Code §52.004 states as soon as practicable after the beginning of each municipal year, the governing body of the municipality shall contract, as determined by ordinance or resolution, with a public newspaper of the municipality to be the municipality's official newspaper until another newspaper is selected; and

WHEREAS, Section 15.06 of the City Charter requires the City Council to designate by resolution a newspaper of general circulation in the City as the City's official newspaper; and

WHEREAS, all ordinances and notices, which are required by law to be published, shall be published in the official newspaper; and

WHEREAS, The Highlander newspaper meets the statutory requirements of eligibility for designation as an official newspaper; and

WHEREAS, the Council requires the City's official publications also be published in the Horseshoe Bay Beacon newspaper.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HORSESHOE BAY, TEXAS:

That the City Council hereby designates The Highlander newspaper as the City's official newspaper until another newspaper is selected; and

That this Resolution is effective immediately upon its passage and approval; and

ADOPTED AND APPROVED on this 19th day of January, 2016 by a vote of the City Council of the City of Horseshoe Bay, Texas.

CITY OF HORSESHOE BAY

ADMINISTRATION DEPARTMENT MONTHLY FINANCIAL REPORT AS OF NOVEMBER 30, 2015

Investment Report:

All account balances reflected are as November 30, 2015. The total of all City accounts was \$8,302,385. Interest earned on all accounts totaled \$877. The TexPool average interest rate for the month of November was .11% as compared to .03% for the month of November last year.

Utility Fund:

The total of the Utility Fund accounts was \$3,134,361 comprised of \$378,412 in the operating accounts at American Bank of Texas, and \$2,755,949 in TexPool.

General Fund:

The total of the General Fund accounts was \$4,817,368 comprised of \$199,259 in the operating accounts at American Bank of Texas, and \$4,618,109 in TexPool.

Capital Projects Fund:

The account balance of the Capital Projects Fund at TexPool was \$148,067 and \$28,130 at American Bank.

Interest and Sinking Fund:

The account balance of the Interest and Sinking Fund at TexPool was \$202,589.

Agency Funds:

The Escondido PID account balance at American Bank of Texas was \$32,209. The account balance of the Summit Rock PID account at TexPool was \$1,340,077.

Tax Collections:

The 2015 taxes collected as of November 30, 2015 total \$636,365. At a collection rate of 15.06%, as compared to 15.17% collected at this same time last year.

A copy of the November 30, 2015 Investment Report is attached for your review.

Operating Budget Reports:

All Budget Reports are as of November 30, 2015.

Utility Fund:

The budget reflects that the Utility Fund YTD revenues were \$116,233.60 more than budgeted and the Utility Fund YTD expenses are under budget by \$40,354.51.

General Fund:

The General Fund YTD revenues were \$42,306.20 more than budgeted and the General Fund YTD expenses were under budget by \$69,697.58.

Capital Projects Fund:

The Capital Projects Fund YTD revenues were \$.41 less than budgeted and the Capital Projects Fund YTD expenses were under budget by \$290.46.

Debt Service Fund:

The Debt Service Fund YTD revenues were \$8,235.17 less than budgeted and the Debt Service YTD Expenses were zero.

.

A copy of the Budget Summary for each Fund is attached for your review.

Human Resources:

Job Openings as of November 30, 2015:

- One (1) Part-Time Animal Control Officer
- One (1) Plant Operator

New Hires in November 2015 – One (1) Part-Time:

- Layne Thompson, Part-Time Firefighter

November 2015 Turnover: Three (3)

Headcount as of November 30, 2015:

- Full Time Employees: 73
- Part Time Employees: 15
- Total Number of Employees: 88

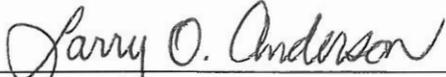

The following employees observed City anniversaries in November:

Name	Date	Yrs	Name	Date	Yrs	Name	Date	Yrs
Randy Lane	11/01/2007	8	Cody Layton	11/17/2008	7	Rocky Wardlow	11/2/2009	6
Joseph Lorette	11/13/2010	5	Steve Hawley	11/21/2012	3			

Safety:

Plant Operations provided a video training regarding Safety Data Sheet Compliance. The video provided information on how to properly ensure safety measures are taken for situations relative to City/Utilities operations.

The meeting was adjourned at 8:55 a.m.

Finance Director

SAFETY MEETING MINUTES

NOVEMBER 10, 2015

8:00 A.M.

Stan Farmer called the meeting to order at approximately 8:00 a.m. There were 50 employees in attendance. The meeting was hosted by Plant Operations who provided refreshments of breakfast tacos along with coffee, milk, and juice.

I. ANNOUNCEMENTS:

Recognized Council Members/Special Guests: No guests were in attendance.

Announced New Employees: Kimberly Martin, Admin (10/07); Aaron Watson, Field (10/19); Shelly Elliott, Utilities/Admin (10/26)

Vacancies: One (1) Part-Time Animal Control Officer

Recognized City Anniversaries: Stan announced the following anniversary dates during the month of November:

Name	Date	Yrs	Name	Date	Yrs	Name	Date	Yrs
Randy Lane	11/01/2007	8	Cody Layton	11/17/2008	7	Rocky Wardlow	11/2/2009	6
Joseph Lorette	11/13/2010	5	Steve Hawley	11/21/2012	3			

Recognized Birthdays: Stan recognized the following birthdays for the month of November:

Name	Date	Name	Date	Name	Date
Jeff Isom	3	Josh Wimberley	8	Carlos Almaguer	8
Brad Casey	10	David Vaughn	10	Richard Baum	15
Jason Graham	17	David Taylor	26	Joseph Lorette	28

Employee Announcements: Births/Marriages/Awards/Etc.

Miscellaneous Announcements:

- **Council Meeting:** (Park in Lower Lot) – The City Council Meeting is scheduled for November 17, 2015 at 3:00 p.m.
- **Next Holiday:** The next holiday – Thursday & Friday, November 26 & 27, 2015 for Thanksgiving.
- **Next Safety Meeting:** Tuesday, December 01, 2015, sponsored by Police Department.
- **Accidents:** Stan reviewed the accidents for the month of October.

Totals for Fiscal Year:	FY 2016:	FY 2015:
• Accidents Reported in October:	4	0
• Total Accidents YTD:	4	0
• Lost-Time Accidents YTD:	1	0

- II. **PROGRAM:** Plant Operations provided a video training regarding Safety Data Sheet Compliance. The video provided information on how to properly ensure safety measures are taken for situations relative to City/Utilities operations.
- III. **Other Announcements by Managers/Question and Answer Session:** Stan recognized several employees who had received compliments from residents, etc. – Terry DiSanto, Randy Lane, Tim Foran, Teresa Moore, Tom Kingery, Chip Leake, T.J. Cox, David Vaughn, Travis McRee and Barry Moore.
- IV. **Door Prize Drawing:** After the program, 50 numbers were in the drawing pool. Numbers were drawn, and the lucky winners were #32, Chris Carter and #17, Jess Ramos. Each received a \$20 gift card.
- V. **ADJOURN:** There being no further business; the meeting was adjourned at 8:55 a.m.

Submitted by: Vicki Briggs, Human Resources Administrator

COMMUNITY SERVICES DEPARTMENT DIRECTOR'S REPORT

Water and Wastewater Flows: A comparison of gallons of Water Produced, Water Sold, Water Loss, Treated Sewer, Sewer Effluent Flows, and other details of monthly operation.

December 2015 (Nov 8 –Dec 7 Billing Cycle)

	Dec-15	Dec-14
Water Produced for Sale:	30.40 MG	34.43 MG
Known Leaks and Accounted Uses:	3.767 MG	4.066 MG
Unknown Water Loss:	2.53 MG	2.09 MG
Water Sold To Public:	24.11 MG	28.28 MG
Maximum Daily Flow:	1.19 MG	1.92 MG
Average Daily Flow:	0.98 MG	1.11 MG
Total Water Production for Fiscal Year:	160.10 MG	124.63 MG
<i>Percentage of LCRA Contract (Maximum Allowable Quantity – 725.00 MG)*</i>	88.0%	75.6%

* Contract is based on calendar year, not fiscal year and excludes wholesale usage (Sandy Harbor, Oak Ridge and Deerhaven).

December 2015 Wastewater Treatment

	Dec-15	Dec-14
Treated Wastewater:	15.23 MG	15.24 MG
% Water Sold:	63%	54%
Maximum Daily Flow:	0.629 MG	0.687 MG
Average Daily Flow:	0.491 MG	0.492 MG
Total Wastewater Treated for Fiscal Year:	48.68 MG	46.94 MG
Effluent Pumped to Golf Courses & Other Reuse Stites:	5.80 MG	3.86 MG
Year-to-Date Percent of Water Sold :	37%	44%

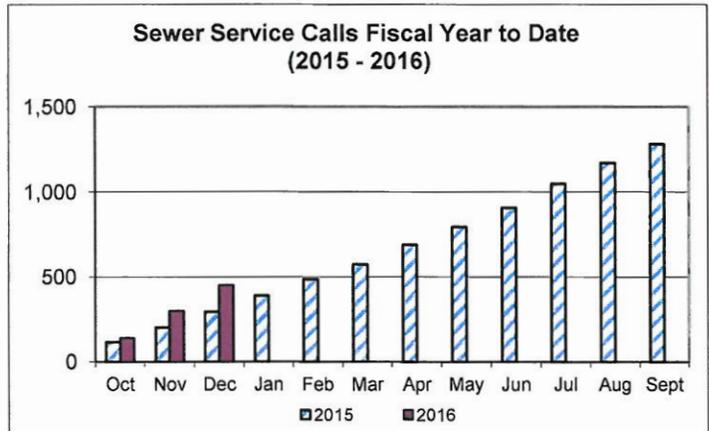

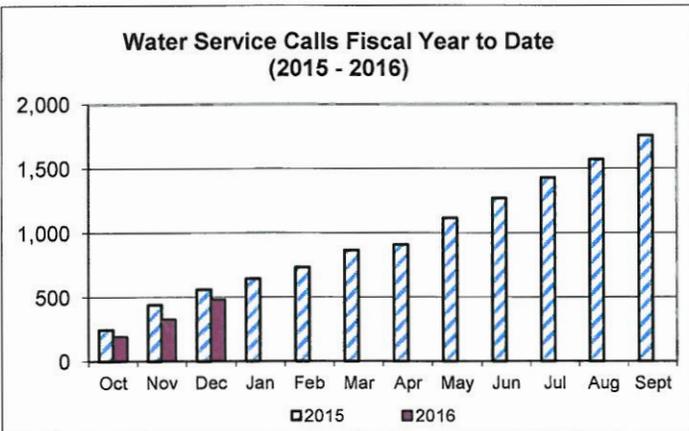

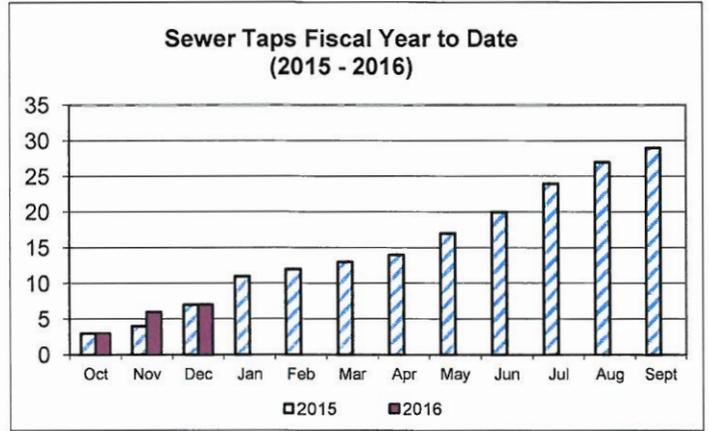

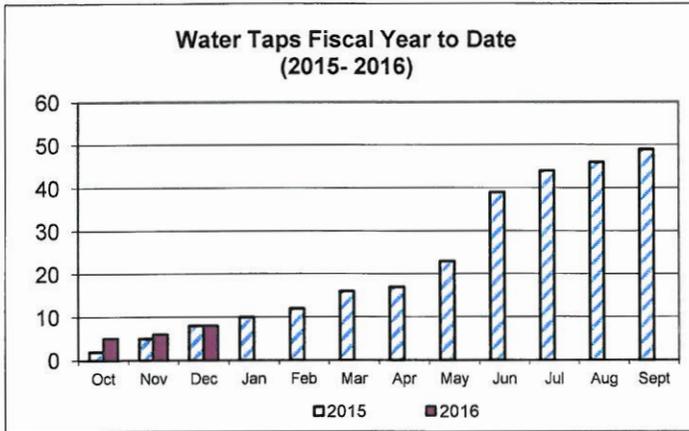

Average Wastewater Flow from Cottonwood Shores (for December 2015) was 69,000 gallons per day, which is 72% of the contract amount (96,000 gallons per day).

	O-15	N-15	D-15	J-16	F-16	M-16	A-16	M-16	J-16	J-16	A-16	S-16	YTD

Water Produced (MG)	72.28	57.42	30.40	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	160.10
Known Leaks And Accounted Uses (MG)*	10.64	5.26	3.77	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	19.67
Water Loss (MG)*	1.81	5.24	2.53	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	9.57
Water Loss %	2.5%	9.1%	8.3%										6.0%
Water Sold (MG)	59.83	46.92	24.11	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	130.86
Treated Wastewater (MG)	17.35	16.10	15.23	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	48.68
Treated Wastewater as % of Water Sold	29%	34%	63%										37%

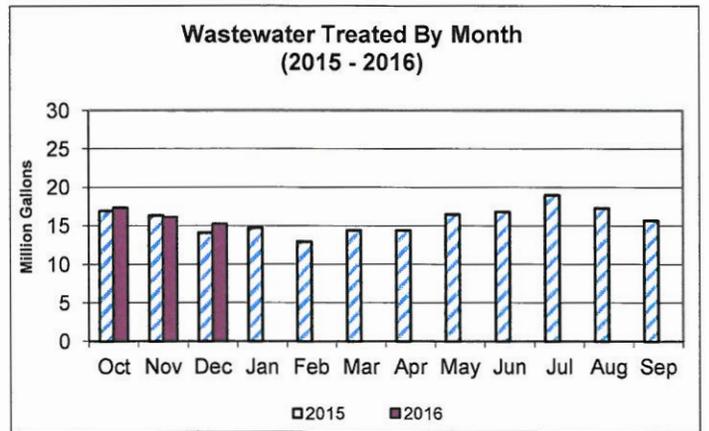

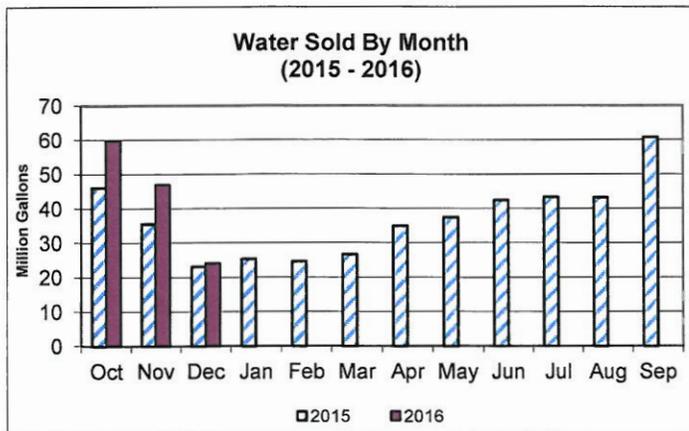

* October Known Leaks included two large volume line leaks (one which was in an uninhabited area that ran for a long period) and extensive flushing to maintain Chlorine levels.

CITY OF HORSESHOE BAY

↑ Difference in 2015 to 2016 adjustment in accounting multiple meter work activities as single workorders

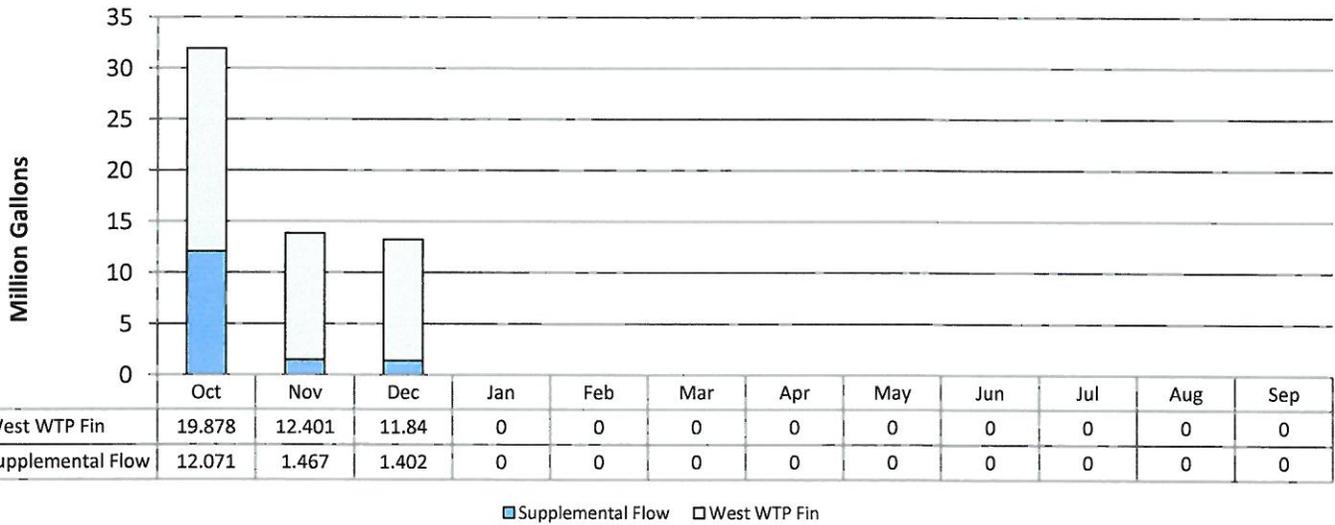

All Water Sold and Wastewater Treatment Sold is based the billing cycle and not calendar dates.

CITY OF HORSESHOE BAY

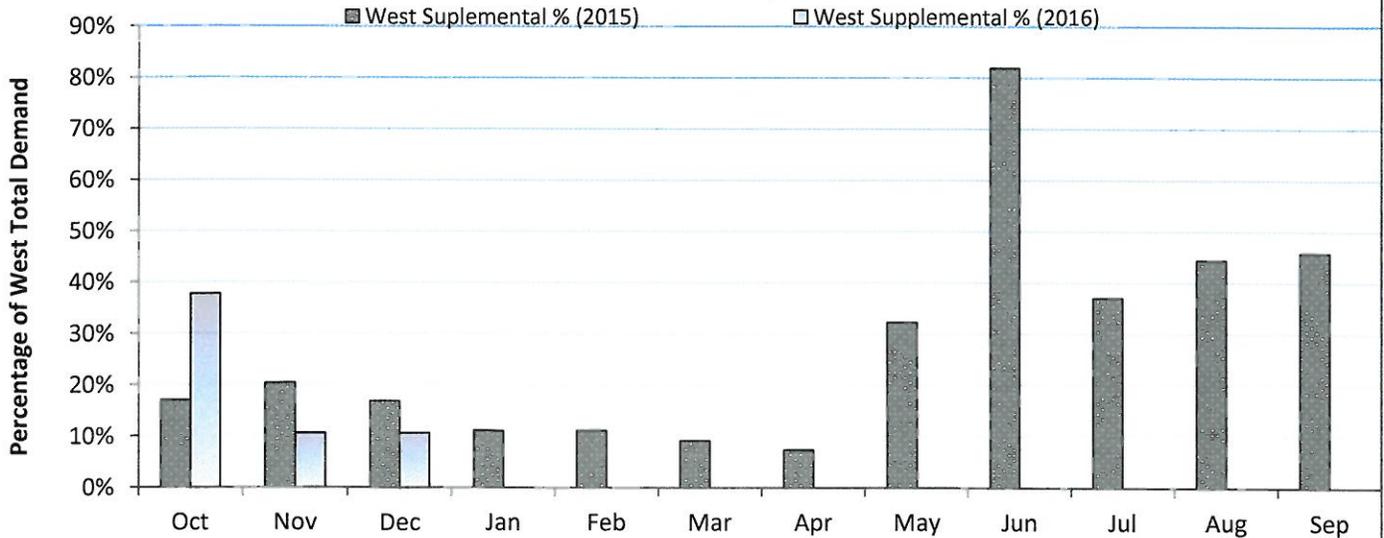

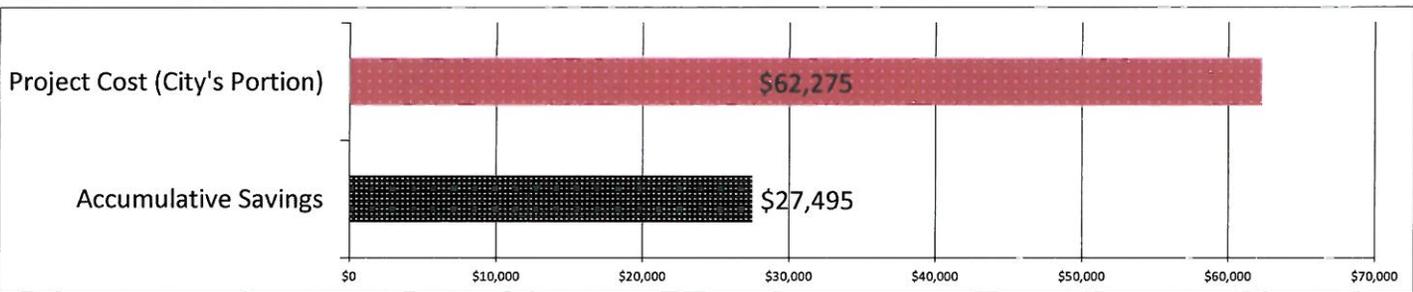

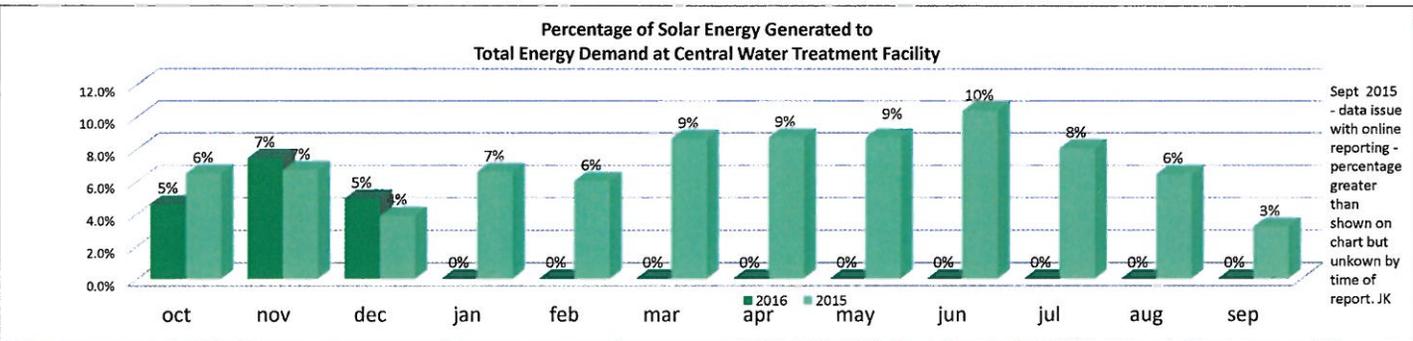

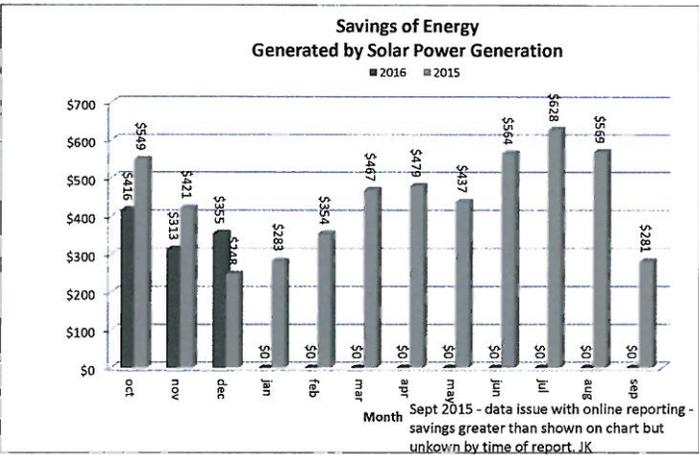

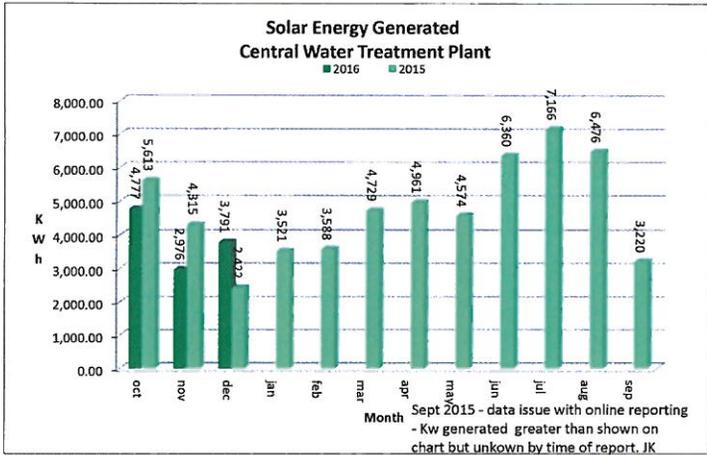

West Water Plant Production & HSB West Supplemental Flow

*February flows at West Plant down due to replacement of section of raw water line on Water's Edge.

HSB West Supplemental Flow as Percentage of Total HSB West Demand

CITY OF HORSESHOE BAY

Summary of Community Services Department Activities for December FY2016

Summary of tasks below are in conjunction with routine tasks performed by staff in providing water treatment, water distribution, wastewater collection, wastewater treatment, garbage, recycling, GIS mapping, utility billing and customer services.

Management Activities

Advertised for Plant Operator Position made vacant in late November. Interviews will be held in late December and Position will be filled in January.

Researched new server technology and equipment. Working on replacement on aging server equipment and software platforms that are seven years old.

Finalized data collected for City's sewer system model and Summit Rock Lift Station design. Met with Engineer on 90 % plans and specifications.

Met with Engineer and reviewed 90% drawings for Summit Rock Lift Station construction. Revised treatment capacities to include two new high density developments.

West Water Plant expansion design oversight. Work with Engineer on equipment specifications and submittals. Prepare info for Engineering Design Report to TCEQ.

Oversight of migration of GIS parcel and Utilities data layers into GIS database. Research new in-house servers for data storage for City asset management and GIS software.

Work with Developers to evaluate feasibility and layout of utilities to Synergy Village Development project. Met with Developer and Engineer on design.

Work with Developers to evaluate feasibility and layout of utilities to Tuscan Village and Siena Cove Development project. Review of planned utility sizing and route options.

Met with Deerhaven WSC's engineer on water meter construction in conjunction with water line project in Deerhaven.

Reconstruction of Deerhaven meter setup off Apache Tears.

Continue to seek out utility bill and water loss issues. Zero and high usage accounts are being screened for accuracy or meter failures. Performed data logs on over 40 meters.

Worked with Assistant Fire Chief to update Fire Hydrant facilities GIS updates and assets management. Continue to repair out of service or need repair hydrants to 100% goal.

Oversight of utility construction for the Golden Bear Development. Reviewed revised plans and provided comment. Oversight of utilities installation. 90% complete.

Met with Cottonwood Mayor and Staff on request to expand their wastewater entitlement. Began revising contract for Council review and approval at future meeting.

Worked with GIS Manager and ESRI regional Staff on licensing options for moving software to new in-house servers for data storage. Replacing old servers due to age.

Worked with Contract IT vendor (Onsite Computer) on licensing options for moving software to new in-house servers for data storage. Replacing old servers due to age.

Met with City Manager on Server Upgrade Plans and updating GS system to new Governmental Model and Applications available

Oversight of part time seasonal GIS Intern workload. Managing workload and provided direction and coordination with other departments on updating City's GIS system.

Completed employee evaluation process. Met with employees on merit evaluations and discussed strengths and weakness - expectations for improvements over next year.

Attended POA President's meeting. Provided insight into operations and utilities issues.

Inspected Drained High Storage #1 (750,000 gallon tank) as per TCEQ requirement. Noted structural and paint degradation and prepare for routine project budget in FY 17.

Met with Zeecon manager and installation crew at both West Elevated Tank and Summit Rock Tank for installation of internet equipment.

Prepare bidding documents for City's Landscaping contract for City Hall, Demonstration Garden, Fire and Police grounds and Central Water Plant.

Operational Projects

Meter replacement program - 28 meter replacements and 8 new taps since beginning of beginning of Fiscal Year.

System chlorine flushing and customer assistance for water quality issues - tracking chlorine and ammonia levels in distribution system. Switched back to Chloramine disinfectant.

Final walk through and payment of Applehead POA water line relocation project Reviewed and approved pay applications of concrete work performed.

Repaired 6 water mainline leaks and 1 sewer leaks in November. All water leaks were small leaks and located at service connections.

Working with Water Conservation Officer on Rebate program preparation for FY 2016. Developing forms and data to train irrigators

Developed an article on a new website available for customers to better understand customer's water usage and what to look for to ensure proper operation of irrigation system.

Met with Vendor and Contractor on South Lift Station rehab project. Met with staff on City's responsibilities and project scope. Setting up purchases for materials needed.

Oversight of Effluent Pond aeration system operation and multi-month biological treatment of effluent sludge at bottom of the ponds to increase capacity.

Drained and Cleaned 750,000 High Storage Tank reservoir and prepared for installation of level controls. Preparation for draining and cleaning 1,300,000 High Tank for cleaning.

Calibrated Central Plant Chlorine detection and dosage measure equipment. Tested alarms to ensure correct operation.

Large Capital Projects

Met with Engineer on construction and treatment equipment specifications for West Water Treatment Plant expansion. Worked on revised budget and timing of bidding.

Met with Staff on Summit Rock Lift station design - finalize data collection for model design. Reviewed 90% drawings and provided input on ongoing design.

Met with Engineer on Airport Sewer Extension project to discuss project scope and design. Staff collecting main system pressures of existing system at proposed connection.

Met with Developers on Gynergy and Tuscan Village projects for design considerations and review of Sewer model data report.

Training Activities

Safety training with Field Operations crew.

David Taylor training Rick Williams on Automatic Meter Reading

Dan McGraw prepared and presented PowerPoint for safety meeting. Field Ops, January 5, 2016

Training Troy Buchanan on Automatic Meter Reading

CITY OF HORSESHOE BAY

DEVELOPMENT SERVICES DECEMBER 2015 ACTIVITY REPORT

Meetings with the following:

1. Bill Bush regarding the Enclave Replat for signatures, and changes in utility locations;
2. Judith Crane regarding possible substandard building at 105 Star #4;
3. George Valerian regarding possible side yard Variance on the street side for Lot W7065 at the corner of Hi Fault and Silver Hill;
4. George Green regarding permit for replacement exterior lighting at 612 Port, and about the annexation;
5. Stan Farmer and Rex Baker regarding the annexation process;
6. Tom and Kathleen Clark regarding Air BnB weekend/one night rental and about a boat dock permit at 625 N. Horseshoe Bay Blvd. N.
7. Glen Salem regarding a permit for the lower deck at 402 Lighthouse Dr.;
8. Edwin Lofton regarding setbacks for two odd-shaped lots;
9. Rae Loki regarding directional signs for the Escape West townhouses;
10. Jeff Mcspadden regarding the map of the City's ETJ; his property is in both ours and Marble Falls ETJ; and he wants Marble Falls to take his entire property into their ETJ, although it is adjacent to Horseshoe Bay South;
11. Dick Shiefer regarding opposition to annexation of his property, and PEC's plans for hi voltage power lines being placed along the entire length of Highway 71 in HSB;

Other Meetings I attended:

1. Planning and Zoning Commission;
2. Long Range Planning Committee;
3. POA Presidents' Forum;
4. Senior Staff Meeting;
5. Municipal Court;
6. Long Range Planning Committee;
7. Development Services staff meeting;

Other Activity:

1. Attended a FEMA webinar regarding new floodplain regulations;
2. Prepared the base flood elevation (BFE) for Michelle Walker for Lot No. 207 on Creek Lane In Pecan Creek;
3. Filed the Municipal Court Order regarding 2101 27th St.;

Code Enforcement Officer Activities from 10/01/15 (Fiscal Year) To Date Summary:

- Red Tags Issued: 6
- Citations and Court Summons Issued: 1
- Certified Letters Sent: 30
- Total Vehicles Removed: 9
- Regular Letters Sent/Posted: 30
- Letters for Yard Lights/Addresses: 0
- Development Services Director Minor Plats approved: 1

POLICE DEPARTMENT December 2015 FY ACTIVITY REPORT

During the month of December 2015 there were thirty-six (36) new cases reported to our department. The December cases consisted of twenty-three (23) misdemeanor cases, five (5) felony cases, eight (8) non-criminal cases, five (5) traffic accidents, and eighteen (18) arrests. The department cleared eighteen (18) new and old Horseshoe Bay cases in the month of December. Thirty-two (32) residents requested home security watches during December. Also local businesses, amenities, and construction sites continued to be checked thoroughly on a daily basis. Overall, the department responded to five hundred sixty (560) calls for service, including twenty-five (25) alarms for the month of December.

During the month of December, 2015, nineteen (19) new cases were assigned to CID for follow up investigation. Eleven (11) of those cases were a misdemeanor grade, five (5) cases were a felony level and three (3) investigations were non-criminal in nature. Those include investigations such as Missing Persons, and Animal Bites. A total of sixty-seven (67) persons were interviewed by investigators. These interviews resulted in twenty-three (23) witness/victim statements and seven (7) confession statements. CID cleared six (6) active cases during the month. CID assisted the Patrol Division in covering three (3) Patrol Shifts during the month.

ANIMAL CONTROL December 2015 FY ACTIVITY REPORT

The Animal Control Person handled approximately sixty-three (63) calls within the month of December. Fifty (50) of the calls were dispatched through either the Horseshoe Bay Police Department or Marble Falls Police Department, while thirteen (13) of the calls were initiated by the Animal Control Officer.

The above information reflects the number of calls handled, but does not include the number of times traps were checked and did not have an animal in them. Police officers assisted or were assisted by the A.C.O. in five (5) of the calls for the month of December.

Re: Discuss, Consider and Take Action Regarding Mausoleum Road Improvement

The City and POA are working together to improve this road and parking area at the mausoleum. Currently, the City is still planning to install a new improved road over the current road. The quote from Aaron Concrete is now \$134,558, for the road. Initially it was \$130,000; however, due to remobilization. With the addition of the improving the parking lot (City owned) there is a cost of \$4,800 for 1.5" of asphalt paving overlay, for a total of \$139,258.

The POA is taking responsibility for purchasing and installing another cattle guard at the entrance to the parking lot and a metal removable bollard to stop vehicles from driving down the concrete path to mausoleum. The POA still needs to sign agreements to relinquish responsibility of easement over the road and take responsibility for the concrete path to mausoleum.

Re: Discuss, Consider and Take Action Regarding Open and Concealed Carry and Firearm Signage

Current changes in Texas law allows the open carry of a handgun by a licensed handgun holder but also specifies certain locations where either open or concealed carry can be prohibited, provided that certain and specific signage written in both English and Spanish is posted.

Among the locations identified are the room or rooms where a meeting of a governmental entity is held and if the meeting is an open meeting subject to Chapter 551 of the Government Code. The meetings and/or workshops of the Horseshoe Bay City Council are indeed open meetings subject to Chapter 551 of the Texas Government Code. Thus, the council may choose to prohibit open and/or concealed carry of a handgun during meetings identified in Chapter 551, provided that signage prescribed by statute is posted at the public entrance into the council chambers.

In addition, the council has the ability to choose whether to prohibit firearms, specifically long rifles and/or shotguns regardless whether the person is licensed handgun holder or not, at certain locations such as municipal parks and/or a public meeting of a municipal or other governmental body with the posting of a notice at the public entrance that guns or firearms are not allowed.

Council has the ability to consider prohibiting any or all of the below:

- A licensed handgun holder from entering the council chambers while in session, if a holder is carrying a handgun openly.
- A licensed handgun holder from entering the council chambers while in session, if a holder is carrying a handgun concealed.
- Any person from entering the council chambers while in session with a long rifle/shotgun.
- Any person from entering a municipal park with a long rifle/shotgun.

The posting of appropriate signage applicable to the decision of council is required.

Council may make a motion for any of the above singularly or one motion combining any of the above options.

This discussion will involve the following statutes and Texas Attorney General Opinion:

Texas Penal Code 30.06

Texas Penal Code 30.07

Texas Penal Code 46.03

Texas Penal Code 46.035

Texas Government Code Chapter 551

Texas AG Opinion #KP-0049

Local Government Code Chapter 229

RE: Discuss, Consider and Take Action Regarding Request by The Bible Church of The Lakes for a Variance from Section 3.06.016(5) of the Sign Ordinance to Allow an Exempt Freestanding Sign that Exceeds the Maximum Size Requirement of 16 Square Feet (24101 Highway 71 E. in the ETJ)

This request is for the City Council to grant a Variance from Sec. 3.06.016(5) of the Sign Ordinance to allow a freestanding sign for The Bible Church of the Lakes that exceeds the maximum size requirement for an exempt freestanding sign of 16 feet. The sign the Church erected to replace the previous freestanding sign on the property is 70.4 square feet.

The City Council may grant a Variance upon affirmative written findings as to the following elements:

1. The unusual shape or topography of the property in question or some other significant factor prevents signage allowable under the provisions of this Ordinance from adequately identifying the business or other activity located on the subject property. The applicant states "The objective of the sign is to inform those passing by of the dates and times for Church services, to present Church messages and to recognize and honor those responsible for the freedom we enjoy. The posted speed limit on Highway 71 in this area is 70 miles per hour, so additional size is needed to present a message which can be quickly read by passing drivers. Highway 71 has significant elevation changes in both directions from the property, so a larger sign is needed." Staff's review found no issue with these items.
2. The Variance is not contrary to the public interest. The applicant states "There are no homes or other structures in the area to be affected by the light from the sign, which will be turned off from midnight until dawn every day. The light will not be flashing, blinking or traveling." Staff's review includes the attached e-mail which states that the high-lumen LED-lighted sign is a safety concern for drivers and is destructive to the peaceful character of the area.
3. Due to special conditions, a literal enforcement of the Ordinance would result in unnecessary hardship. Ordinarily, hardship that is self-induced or that is common to other similarly classified properties will not satisfy this requirement. Financial or economic hardship alone will not ordinarily satisfy this requirement. The applicant states "The Church attempted to use the previous sign frame for a new same size (non-LED) replacement sign, but was not able to because the existing frame was not able to support the new sign. Replacement of the old sign which was 54 square feet with the similar sized 70.4 square foot LED sign eliminates a significant risk associated with manual changing of the letters using an extension ladder on unlevel ground or from ladders on a pick-up truck, and also will consume less electricity." Staff found no issue with this.

4. The spirit and purpose of the Ordinance will be observed and the design guidelines set forth in this Ordinance are substantially met and substantial justice will be done. The applicant states “The sign replaces an existing lighted sign on the same location, of substantially the same size and displaying the same type of information as planned for the new sign.” Staff found no issue with this.

Staff is aware of objections to the request – including the attached e-mail. However, positive modifications have been made since the sign was first installed. These include less brightness and turning the sign off from midnight to dawn. Based on the above analysis, staff recommends approval of the requested Variance.

Hi James – and thanks so much for getting back with me – I very much appreciate your response.

I totally agree with your comments “that is in both of our interests” and “let’s use it to best advantage”. Very well stated!

I do hope your urgent family medical issues have been resolved satisfactorily – a tough way to start off the new year.

We will certainly be keeping you and your family in our thoughts and prayers.

And lastly James – we would LOVE to have to stop by our church sometime for one of our Sunday services. I think you would really enjoy our Pastor – he is outstanding. He is in the Book of John during our 9:30 service – a major winner.

Thanks again,

Bob

Subject: Re: Blinded By The LIGHT !!!

Hello Bob,

Sorry not to get back to you sooner; ...I've been busy attending to several urgent family medical issues.

I think there is opportunity to harvest some positive visibility and attention from this issue.

I actually enjoy "Roadside Pulpit" messages, and using a programmable electronic sign to deliver them is a reasonable technology.

I did mean everything I stated in my email, and the local community was negatively impacted by the 'sign start-up'.

Note that I also wrote my letter in support of my friend Soc Gonzales' efforts on the same issue.

This is a matter of appropriate sensitivities. A message board that is visible to motorists - but not *NUCLEAR* in it's invasive brightness - would be fine in my opinion.

We are all increasingly infringed by various uncivilized technologies; ...pushy, loud, and road-raging tailgaters; ...etc.; ...but we can choose to take more peaceful paths; ...and contribute to making our neighborhoods friendlier places to live.

I think that is both of our interests.

Sorry for the commotion, but let's use it to best advantage.

Best regards,

Jim Stuart

Deerhaven

Subject: FW: Blinded By The LIGHT !!!

Good morning James -- Bob Davis here with The Bible Church of the Lakes.

I / we want to let you know that we are very sorry for the issues our sign has caused you. The last thing we want to is offend anyone in our community in any way.

The primary use of our use has been, and will always be, to inform those driving by of our service times and to deliver good spiritually related messages. I obviously don't know if you are a Christian or not, but our goal is to help motivate Christians and encourage them to grow & mature in God's Word -- the Bible. We were having difficulty changing the messages, as it had to be done from tall letter and required quite a bit of time. And considering the age of our Deacon group and congregation, we felt it would be much easier and safer to have a sign we could very readily change from our computer inside our church.

We just put our sign up James and have not had a chance to complete the installation of the software and the related webinar training sessions to get our sign properly adjusted for delivering the church schedules and messages we normally display. And they will be done so on a good schedule (not 24 hours) and in a manner that should not offend those driving by.

In hindsight, I certainly would have hoped that you would have contacted us directly about your complaints, rather than immediately sending out emails to neighbors, city officials, newspapers, etc. It would have given us a chance to sit down with you to give you an understanding of the purpose of our sign and our plans for making it very presentable to our community. The only people that are exposed to our sign are those driving by -- which is normally a pretty quick drive by. There is not one immediate neighbor or home that is exposed to our sign on a continual basis.

Again, we apologize for any problems our sign may have caused you James and we are and will be doing everything possible to assure that our messages are being displayed in a non-offensive manner.

Thank you -- I hope you and your family had a wonderful Christmas -- and Happy New to you!

Bob

Subject: Blinded By The LIGHT !!!

Peter R. Jones
Llano Precinct 1 Commissioner
commpct1@co.llano.tx.us

Dear Mr. Jones

I'm writing to complain about the recently installed **SIGN** in front of **The Hill Country Bible Church on Highway 71 at Country Road 311**.

This explosively high-lumen **LED**-lighted business signal is an egregious example of ugliness, a safety concern for drivers, and is violently destructive to the peaceful character of Llano County.

At night this **SIGN** is as distractively bright as an exploding vehicle, and even in daylight it is offensive to the eye from sun-up to sunset (**see attached photos**).

I've been a full time resident of Horseshoe Bay for three years. I moved here from Austin in part to escape such Hellish **light pollution** insults, **and to enjoy the celebrated dark skies of the Hill Country**. As my home is in **Deerhaven** I now am confronted by this God-Awful atrocity every day, and can't believe this type of **SIGN** is allowed at this location.

The similar new sign at **Sandstone Mountain Ranch** is equally disgusting, but at least that one is located on an uncongested stretch of the roadway.

Please exercise whatever authority and/or influence you can muster to have this sign removed, and to prevent any further such intrusions along Highway 71 in Llano County.

You can contribute significantly to preserving the unique quality of our lives; ...or fail in that responsibility.

Thanks for your consideration,

James Stuart

CITY OF HORSESHOE BAY

JANUARY 19, 2016

To: Mayor and City Council 

Thru: Stan R. Farmer, City Manager

From: Eric W. Winter, Development Services Manager

RE: Discuss, consider and take action regarding the Preliminary Plat of Gynergy Villas at Horseshoe Bay, a 63 lot R-4 townhouse subdivision, with two new streets, a clubhouse, a swimming pool, a water feature and several Common Areas, including a Common Area for a 40,100 cubic foot retention pond on a 10.95 acre tract (On the northwest side of Golden Nugget, southwest of the first lot on the northwest corner of Golden Nugget and Broken Hills, and across from Westgate Loop and Westgate Subdivision)

This preliminary plat is for a 63 villa townhouse lot subdivision in Zone 3 Horseshoe Bay West zoned R-4 Multi-Family Residential with minimum house sizes of 1,536 square feet for the 3 bedroom Plan A villa units, 1,259 square feet for the 2 bedroom Plan B units and 1,265 square feet for the 2 bedroom Plan C end units. It is located on the northwest side of Golden Nugget, southwest of the first lot on the northwest corner of Golden Nugget and Broken Hills, and across from Westgate Loop and Westgate Subdivision. This subdivision plat is technically a replat, as the property is part of Tract VV of Horseshoe Bay Plat No. 37.1. But because of its size and the amount of utility and road infrastructure required, the application is being considered as a subdivision plat rather than a replat. The applicant is the owner of the property - Lake LBJ Improvement Corporation - who is applying for this subdivision on behalf of developer Gynergy, Inc. of California.

Two new private streets will be created - Integrity Way and Sanntarra Drive. The project will include a clubhouse, a swimming pool, a water feature and several Common Areas, including a Common Area for a 40,100 cubic foot retention pond required for the project. The developer is in the process of contacting the owners of the existing pond on the adjacent property to the north, near the southwest end of the property to inquire about the possibility of using the existing pond for their retention pond in place of constructing a new pond on the Gynergy property, which is their first choice for retention.

The following items need to be addressed before approval of the preliminary plat:

1. Change all references of replat to plat;
2. Need name, address and telephone number for the subdivider/record title owner;
3. Add date of preparation of the plat;
4. Add square footage for all lots that are not rectangular;
5. Provide building setback labels and widths;
6. Provide the drainage area in acres;

7. Add a Note that the round circles represent trees, and eliminate the number associated with each;
8. Change the beginning of Note #3 to read: All property...;
9. Add Note #6 to read: All water and wastewater services are under a Utilities Service Agreement with the City of Horseshoe Bay;
10. Why are Rusty Wayne Drake's and Caron Lee Drake's names included in the Declarant Signature Block?;
11. Include more land area to the west of this property on the Vicinity Map, so that the subject property is in the middle of the Map;
12. Change replat to subdivision in the 5th line of the Owner's Signature Block;
13. Change they to he in the 3rd line of the Owner's Notary Public Signature Block;
14. Add a Note or show the easement for this property to be able to use the existing pond on the Hughes property for stormwater detention when obtained;
15. Add Private Street below both street names;
16. What does the small square between Lot Nos. 23 & 24 represent?;
17. Label all Common Areas including those that are not lots;
18. Define how parking requirements in the R-4 Classification are met, and label parking areas not on the numbered lots

Future requirements:

1. Add and label fire hydrants.
2. Will brick pavers support the load of a fire truck?
3. Are the radii for the hammerhead sufficient for a fire truck?
4. Where will post office boxes be located?
5. Will the project be gated? If so, a Knox Switch will need to be provided.
6. The streets will need to be asphalt with standup curb and gutters to direct stormwater to the pond for treatment, and the HOA will be responsible for all street repairs due to any utility work.

The surveyor has been made aware of these items.

Staff has determined this application to be administratively complete for forwarding to the City Council for review. Don Sherman has been authorized by Lake LBJ Improvement Corp. to act on its behalf.

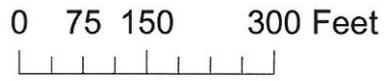

A copy of an aerial photograph, a Zoning Map, the preliminary plat, and a copy of the Summary and an elevation of a 3-unit building are included in the Council's agenda packet. Original copies of the preliminary plat and all supporting information for this application are available for review in Development Services.

The Planning and Zoning Commission held a Special Meeting on January 13, 2016 to consider this request at the applicant's request. The Planning and Zoning Commission's recommendation will be presented at the Council meeting.

Staff is not aware of any objections to this Preliminary Plat and recommends approval with the 24 items noted above.

The Product

The **Gynergy Villas at Horseshoe Bay** project will include the construction of twenty-one (21) triplexes for a total of sixty-three (63) homes. There are three models, Plan A, Plan B, and Plan C. The exterior of the units shown in this executive summary were designed for another Gynergy project and the exterior styling will be adapted to be consistent with the local market preferences. The marketing plan will include the construction of three model homes that will be fully furnished and staged for optimum sales results.

- ❖ **Plan A** is an end unit with three bedrooms with 1,536 square feet of living area. Plan A has a two-car garage. There will be 21 Plan A units.
- ❖ **Plan B** has two bedrooms with 1,259 square feet of living area. Plan B has a one-car garage. There will be 21 Plan B units.
- ❖ **Plan C** is an end unit with two bedrooms with 1,265 square feet of living area. Plan C has a one-car garage. There will be 21 Plan C units.

To be cost efficient, certain elements of the interior design, such as the kitchen and bathroom layouts, of all three plans are identical. Standard dimensions for certain rooms permits standardized designs for cabinet layouts, counter top sizing, and similar efficiencies. Variations in color selections, counter top material, cabinet style and finishes will provide customized appearances. Standard interior finishes, flooring, and appliances will be designed to meet market demands. Based on construction timing, units may be upgraded, at buyer's cost, to provide buyers with selection choices.

The drawing below shows the triplex configuration. On the following pages the individual model plans are shown to a larger scale.

CITY OF HORSESHOE BAY

JANUARY 19, 2016

To: Mayor and City Council 
Thru: Stan R. Farmer, City Manager
From: Eric W. Winter, Development Services Manager
RE: Board of Adjustment Public Hearing, Discuss, Consider and Take Action Regarding Request for a Variance from Section 14.02.406(a)(5) of the Zoning Ordinance Which does not Allow Visible flat Roofs on any Building or Structure, to Allow Construction of a new Residence with a Visible flat roof on Lot No. 12027-A of Horseshoe Bay (402 Lighthouse Dr.)

The owner is requesting a Variance from Section 14.02.406(a)(5) of the Zoning Ordinance which does not allow visible flat roofs. The purpose of the Variance is to allow construction of a new residence with a visible flat roof at 402 Lighthouse Dr. The property is classified R-1 Single Family Residential and is vacant.

The Board of Adjustment can only grant a Variance after holding a public hearing on the request and finding that:

1. There are special circumstances or conditions affecting the land involved such that the strict application of the provisions of this Ordinance would deprive the applicant of the reasonable use of the land. The applicant states that: "Due to the size and shape of the lot, the sole use of a pitched roof throughout would increase the visible massing and have an undesirable proportion and appearance not suitable to the lot. Reference attached Exhibit A images." Staff has no issue with this.
2. The Variance is necessary for the preservation and enjoyment of a substantial property right of the applicant. The applicant states that: "The current roof design is appropriate for a modern residential design which the client desires. It is also necessary in order to achieve a lower overall profile scale for the building." Staff has no issue with this.
3. Granting of the Variance will not be detrimental to the public health, safety or welfare, or injurious to other property within the area. The applicant states: "Granting of the Variance will not be detrimental to the public health, safety or welfare, or injurious to other property within the area, as the Variance request is aesthetic in nature." Staff's review found that to be the case.
4. Granting of the Variance will not have the effect of preventing the orderly use of other land within the area in accordance with the provisions of this Ordinance. The applicant states: "Granting of the Variance will not have the effect of preventing the orderly use of other land within the area in accordance with the provisions of this Ordinance, as the Variance request is aesthetic in nature and presents a roof design profile that already exists on other homes in the neighborhood." Staff's review found that to be the case.
5. Granting of the Variance constitutes a minimal departure from this Ordinance. The applicant states: "Granting of the Variance constitutes a minimal departure from this Ordinance, because it would allow a more appropriate scale to the upper (roof) portion of the building massing.

Creating a more compact roofline is ideal for the compact nature of the lot location and size, and it creates visual continuity by referencing other flat roof/contemporary designs within the neighborhood.” Staff has no issue with this.

6. The subject circumstances or conditions are not self-imposed, are not based solely on economic gain or loss, and do not generally affect most properties in the vicinity of the property. The applicant states: “The design is driven by the need to reduce the massing impact to a scale appropriate for the lot size and shape, and to fulfill the client’s request for a modern home. Precedence for a visible flat roof has been established four houses down the street from the subject property at 213 Lighthouse Drive. Reference attached Exhibit B images.” Staff’s review found that the roof on 213 Lighthouse Dr. has a pitch of 1/2 inch in 12 inches, which is very close to being a visible flat roof.

The Horseshoe Bay Architectural Control Committee has approved the Variance. Based on the above review, staff recommends approval of the attached Variance Approval Form.

GENERAL NOTES

- CONTRACTOR TO COORDINATE STAGING AREAS
- ALL PROPOSALS SHALL TAKE INTO CONSIDERATION ALL SITE & CONSTRUCTION CONDITIONS AFFECTING WORK UNDER THIS CONTRACT.
- COORDINATE STRUCTURAL, MECHANICAL, PLUMBING, AND ELECTRICAL DIVISIONS WITH OTHER TRADES AFFECTING OR AFFECTED BY SAME.
- NO CHANGES IN CONSTRUCTION METHODS, MATERIALS, OR SMALL SPECIFICATIONS, GENERAL NOTES AND SCHEDULES, OR DEVIATION OF ANY REQUIREMENT SHOWN ON THESE PLANS WILL BE ACCEPTABLE WITHOUT FIRST OBTAINING PERMISSION FROM THE ARCHITECT AND CLIENT. TO OBTAIN PERMISSION FIRSTING, SUBMIT DRAWINGS AND DOCUMENTS SHALL BE PROVIDED.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR CONSTRUCTING THE PROJECT IN ACCORDANCE WITH ALL APPLICABLE CODES AND ORDINANCES. WORKMANSHIP AND MATERIALS TO BE OF THE HIGHEST INDUSTRY STANDARDS.
- THE PLANS AND SPECIFICATIONS HAVE BEEN DEVELOPED WITH THE INTENT OF MEETING OR EXCEEDING THE MINIMUM REQUIRED STANDARDS. SHOULD THE PLANS AND SPECIFICATIONS DISAGREE WITH THEMSELVES, THE LATTER QUANTITY/QUALITY IS TO BE PERFORMED OR FULFILLED.
- THE CONTRACTOR MUST VERIFY ALL EXISTING CONDITIONS AND ITEMS AND NOTIFY THE ARCHITECT OF ANY DISCREPANCIES.
- CONTRACTOR SHALL REPLACE AND/OR RESTORE ALL MATERIALS STORED OR INSTALLED ON THE SITE LEFT SUBJECT TO DAMAGE OR THEFT.
- PROVIDE AND PAY FOR ALL COST FOR TEMPORARY FACILITIES AND SERVICES REQUIRED FOR THE PROPER AND EXPEDITIOUS EXECUTION OF THE CONTRACT WORK. MAKE ALL TEMPORARY CONNECTIONS TO EXISTING UTILITIES IN LOCATIONS ACCEPTABLE TO LOCAL AUTHORITIES HAVING JURISDICTION THEREOF. PAY ALL COSTS FOR TEMPORARY ELECTRICAL POWER, WATER AND HEATING.
- PROVIDE FIRST AID AND FIRE PROTECTION AS REQUIRED BY OSHA.
- A COMPLETE SET OF AS-BUILTS SHALL BE FURNISHED TO THE ARCHITECT AT COMPLETION OF THE PROJECT. THE CLOSE OUT PACKAGE IN THE FORM OF A HARD BINDER, INDEXED, LABELED AND SHEETED FOR WHICH INCLUDES COPIES OF PERMITS AND THE CERTIFICATE OF OCCUPANCY, A LIST OF SUBCONTRACTORS AND PHONE NUMBERS, ALL WARRANTIES AND MANUALS. ONE COPY SHOULD GO DIRECTLY TO THE OWNER AND ONE COPY TO THE ARCHITECT. PROVIDE PAINT COLOURS AND FORMULAS OF ALL PAINTS.
- GENERAL CONTRACTOR AND SUBCONTRACTOR ARE TO BUILD THIS PROJECT AS DESIGNED. VALUE ENGINEERING IS WELCOMED IN AN EFFORT TO GET THE BEST VALUE. GENERAL CONTRACTOR SHALL SUBMIT HIS NO PER PLANS AND SPECIFICATIONS AND SUBMIT VALUE ENGINEERING ITEMS SEPARATELY.
- ALL PAINT COLOURS TO BE SELECTED AT LATER DATE, BY OWNER AND ARCHITECT
- PROVIDE ARCHITECT W/SHOP DWGS. OF ALL MECHANICAL
- PROVIDE ARCHITECT & ENGINEER W/ SHOP DWGS. OF ALL STRUCT. STEEL WORK
- ALL NEW & ORIGINAL CONSTRUCTION SHALL BE THOROUGHLY CLEANED AND PAINTED, BOTH EXTERIOR & INTERIOR PRIOR TO OWNER'S OCCUPANCY
- LAYOUT PRIOR TO INSTALLATION FOR ARCH. APPROVAL
- SEE FINISH SCHEDULE FOR ALL MATERIALS, FINISHES AND FIXTURES. PAINT COLOURS TO BE SELECTED AT A LATER DATE
- CONTRACTOR SHALL PROVIDE APPROPRIATE WRITTEN DOCUMENTS THAT REFLECT ANY CHANGES TO ORIGINAL DRAWINGS, FINISH AND MATERIAL SPECIFICATIONS OR LAYOUT
- ALL SUBCONTRACTORS SHALL REVIEW AND STUDY THE COMPLETE SET OF DRAWINGS TO PROVIDE PRICING PROPOSALS AND PRODUCE AND CONSTRUCT THEIR WORK
- ALL WATER PROOFING, FLASHING, FLASHING AND SCUPERS TO BE CONSTRUCTED ACCORDING TO INDUSTRY STANDARDS
- ALL WINDOWS AND GLASS DOORS TO COMPLY WITH U.L.C. AND APPLICABLE CODES

SITE PLAN NOTES

- TREES TO BE SAVED SHALL BE PROTECTED BY FENCING BEFORE CONSTRUCTION BEGINS. NO EQUIPMENT OR MATERIAL SHALL BE OPERATED OR STORED WITHIN THE FENCELESS AREA. FENCES SHALL BE AT THE OUTLINE AND COMPLETELY SURROUND THE TREE OR CLUSTER OF TREES. NO BURNING OF DEBRIS, CLEANING FLUIDS, CONCRETE SPILLS, ETC. WILL BE ALLOWED WITHIN THESE AREAS
- CONTRACTOR TO VERIFY EXACT LOCATION OF HOUSE, AND RELATED STRUCTURES ON LOT ACCORDING TO THE SET OF DRAWINGS
- ALL FINISH GRADES, DECKS, PAVED SURFACES, LANDSCAPED AREAS TO BE BUILT AWAY FROM HOUSE OR TO AN APPROPRIATE DRAIN.
- INSTALL PERIMETER FRENCH DRAINS ALONG BUILDING GRADE BOUNDARY

City of Horseshoe Bay Zoning Variance VA 2016-1

On the 19th day of January, 2016, the foregoing application of David and Robin Kehoe for a Variance with regard to the property described in said application, known as Lot No. H12027-A of Horseshoe Bay Plat No. H12.7, and the requested Variance allowing for a new residential building to be constructed with a flat roof, was heard and considered by the City Council of Horseshoe Bay, Texas. Said application having been found to be in compliance with all other requirements of the City's Zoning Ordinance and a public hearing having been conducted, said application is hereby approved and the following findings are made and incorporated into the minutes of the meeting at which the Variance from Section 14.02.406(a)(5) was granted:

1. There are special circumstances or conditions affecting the land involved such that the strict application of the provisions of the City's Zoning Ordinance would deprive the applicant of the reasonable use of the land;
2. The variance is necessary for the preservation and enjoyment of a substantial property right of the applicant;
3. Granting of the variance will not be detrimental to the public health, safety or welfare, or injurious to other property within the area;
4. Granting of the variance will not have the effect of preventing the orderly use of other land within the area in accordance with the provisions of the Zoning Ordinance;
5. Granting of the variance constitutes a minimal departure from the Zoning Ordinance;
6. The subject circumstances or conditions are not self-imposed, based solely on economic gain or loss, or generally affect most properties in the vicinity of the property.

APPROVED on this, the 19th day of January, 2016 by a vote of the City Council of the City of Horseshoe Bay, Texas.

CITY OF HORSESHOE BAY, TEXAS

Stephen T. Jordan, Mayor

ATTEST:

Teresa L. Moore, City Secretary

STATE OF TEXAS §

COUNTY OF LLANO §

The foregoing instrument was acknowledged before me this 19th day of January, 2016, by Stephen T. Jordan, known to me to be the Mayor of the City of Horseshoe Bay.

Seal

Teresa L. Moore, Notary Public
