CITY OF HORSESHOE BAY
NOTICE OF PUBLIC MEETING
AGENDA

August 30, 2016

Notice is hereby given to all interested members of the public that the Horseshoe Bay City Council will hold a Public Meeting at 9:00 a.m. on Tuesday, August 30, 2016, at City Hall, #1 Community Drive, Horseshoe Bay, Llano County, Texas. The agenda for the meeting is to discuss and/or act on the following:

1. Call the Meeting to Order and Establish a Quorum
2. Discuss, Consider and Take Action Regarding Health Insurance Renewal
3. Budget Workshop
4. Discuss, Consider and Take Action Regarding Approval for Improvements to Yard Waste Collection Process at the Reclamation/Recycle Center and Proposed Rates
5. Adjournment

Teresa L. Moore, TRMC
City Secretary

The Council may go into Executive Session, if necessary and appropriate, pursuant to the applicable section of the Texas Open Meetings Act, Texas Government Code, Chapter 551, Subchapter D, on any matter that may come before the Council that is listed on the Agenda and for which an Executive Session is authorized. No final action, decision, or vote will be taken by the Council on any subject or matter while in Executive Session. Any action, decision or vote will be taken by the Council only in open meeting.

Certificate of Posting

I, Teresa L. Moore, City Secretary for the City of Horseshoe Bay, Texas do certify that this Notice of Meeting was posted at City Hall, in a place readily accessible to the general public continuously 72 hours prior to the meeting.

From: Vicki Briggs, Human Resources
Re: Health & Dental Insurance – Lee Cameron, Frost Insurance

Lee Cameron is Senior Vice President with Frost Insurance. As the City's insurance broker, Lee provides recommendations and helps negotiate coverage and premiums for employee medical, dental and life insurance.

Lee will present the insurance options available to the City along with the associated costs.

Staff is recommending changing the health insurance carrier from Blue Cross Blue Shield (BCBS) to United Healthcare (UHC) for FY2017. BCBS presented an increase of 4% (+4%) to the current rate, while UHC presented a decrease of 3.4% (-3.4%). A decision to switch carriers results in a savings to the City of \$82,546. Additionally, UHC's primary care network consists of 91 providers vs. BCBS's 61 providers within our area.

Staff recommends changing the dental insurance carrier from Blue Cross Blue Shield (BCBS) to Principal for FY2017. Blue Cross Blue Shield (BCBS) presented an increase of 8.7% (+8.7%) to the current rate, while Principal presented a decrease of 11.1% (-11.1%). Principal has a network of 741 network providers vs. BCBS's 603 providers within our area.

Enclosures: Lee Cameron's Presentation

Fiscal Year 2017 Budget Summary

This is a summary of the Fiscal Year 2017 proposed budget of the City, and it reflects the results of the guidance from the Mayor and Council at the City Budget Workshop conducted on June 28, 2016.

Current Fiscal Year 2016 Projected Actuals Ending September 30, 2016

The City's FY 2016 budget execution should result in meeting all of the City's objectives for the current fiscal year, including all reserve requirements and debt requirements, with tax rate of \$0.25. The City remains in excellent financial condition. The General Fund budget primarily supports traditional city expenditures such as Accounting/Finance, Animal Control, Development Services, Emergency Services (Fire and Police protection), Streets Maintenance and the Lot Clearing/Lot Mowing program. At the end of the fiscal year on September 30, 2016, it is projected that General Fund revenues will exceed budget and the expenditures will be under budget. For the Utility Fund budget it is projected that revenues *might* exceed budget and the expenditures will be under budget. Water production has not met estimated level due to amount of rain this fiscal year. The Capital Projects Fund (Street) budget included \$2.4M for the Street Improvement Plan adopted by City Council in 2011, and was completed during this fiscal year.

FY 2016 ACTUALS (PROJECTED)

REVENUES	GENERAL FUND	UTILITY FUND	OTHER FUNDS	DEBT SERVICE FUND
Revenues	6,686,500	6,321,000	110,750	472,500

TOTAL EXPENDITURES	6,601,000	7,825,750	2,652,500	724,750
REVENUES OVER EXPENDITURES	85,500	(1,504,750)	(2,514,000)	0

Fiscal Year 2017 Proposed Budget October 1, 2016 - September 30, 2017

For Fiscal Year 2017, the proposed budget is conservative, accomplishes all the objectives of the City, and provides for the necessary levels of services to the Citizens of Horseshoe Bay, while maintaining a tax rate of \$0.25.

The budget proposal covers all traditional expenses including salaries, operations and maintenance, debt service, reserves, the annual capital program, and contingency. It includes increases for proposed salary adjustments earned by the meritorious work of employees, as well as remaining competitive in the labor market. The total City Staff will be 81 full-time employees at the beginning of the FY 2017 broken down as follows: 28 Community Services; 20 Police Dept.; 17 Fire Dept.; 5 Development Service/Code Enforcement; 4 Finance Dept.; 1 Animal Control; 1 Project Manager; and 5 City Manager's Office (City Manager, City Secretary, HR Administrator, IT Administrator, GIS Administrator).

The General Fund capital budget provides for two new fire engines for the Fire Department; replacement of one vehicle, six computers and software, six body cameras, twelve in-car cameras and accessories, six digital Taser weapons, and the beginning of the Motorola radio conversion for the Police Department; and a contingency for emergency equipment replacements. The main highlights from the Utility Fund capital budget are the continuation of the water meter replacement program, purchase of a dozer/track loader, the West water plant upgrade, and rehab of the 750,000 gallon high storage water tank and south lift station, effluent high pressure filter, and electrical system improvements. The main highlight from the Capital Projects Fund capital budget is the \$600K for seal coating of the streets.

The proposed FY 2017 General Fund revenues are budgeted to exceed expenses by approximately \$41,250. The Utility Fund is essentially self supporting – revenues are sufficient to cover operating expenses as well as routine capital projects. However, the proposed FY 2017 Utility Fund reflects total budgeted revenues \$3.7M less than the budgeted expenses. This is due to the major capital projects for the year totaling \$3.5M and debt service of \$840K. It is anticipated that these projects will be funded by issuance of certificates of obligation and developer contributions. The Street Improvements Capital Projects Fund budgeted revenues are \$711K less than budgeted expenses, which will be funded using current unassigned fund balances. The Debt Service Fund budget revenues provide sufficient funds to cover the General Fund debt service on the series 2011, 2014, 2016 Certificates of Obligation.

The City Council has proposed an ad valorem tax rate not to exceed \$0.26/\$100. A rate of \$0.25/\$100 generates estimated tax revenues of \$3.7M for the General Fund and \$746K for the Debt Service Fund resulting in total estimated tax revenues of approximately \$4.45M.

FY 2017 PROPOSED BUDGET

REVENUES	GENERAL FUND	UTILITY FUND	OTHER FUNDS	DEBT SERVICE FUND
	6,879,250	6,393,000	-	746,000

The Budget Process

As Budget Officer of the City, the City Manager has presented this Proposed Budget to the City Secretary for official recording and posting to the City’s website. The Mayor and Council will further discuss the budget, appropriate utility rates, and have the first of two public tax rate hearings at their Council meeting at 9:00 a.m. on August 30, 2016. The second public hearing on the proposed tax rate will be held September 6, 2016 at 9:00 a.m. Following a public hearing on the proposed budget, the Mayor and Council expect to adopt the final budget at their regular meeting on September 20th at 3:00 p.m., as well as adopt the tax rate. The final budget will be filed with the City Secretary and posted on the City website.

Citizens are invited to attend the scheduled meetings and provide their verbal comments or they may submit written comments by email to city@horseshoe-bay-tx.gov or by mail to Steve Jordan, Mayor, City of Horseshoe Bay, PO Box 7765, Horseshoe Bay, TX 78657-7765. Written comments should be received no later than September 1, 2016 to be considered.

Please contact Teresa L. Moore, City Secretary, at 830-598-9943 if you have any questions or desire a copy of the proposed budget documents.

FY 2017 PROPOSED BUDGET

COPY OF ORIGINAL

FILED WITH THE CITY SECRETARY
AUGUST 12, 2016

This budget will raise more total property taxes than last year's budget by \$286,250 which is a 6.85% increase, and of that amount \$84,428 is tax revenue to be raised from new property added to the tax roll this year.

CITY OF HORSESHOE BAY

August 12, 2016

I, Stan R. Farmer, City Manager and Budget Officer of the City of Horseshoe Bay, do hereby certify that on this date, August 12, 2016, I filed the Proposed Budget for Fiscal Year 2017 in the Office of the City Secretary in compliance with Section 102.005 of the Local Government Code.

The Proposed Budget for Fiscal Year 2016 is available for public inspection.

Stan R. Farmer, City Manager

Date: 8/12/16

Attest:

Teresa L. Moore, City Secretary

CITY OF HORSESHOE BAY

CITY OF HORSESHOE BAY

AUGUST 30, 2016

To: Mayor and City Council
Thru: Stan R. Farmer, City Manager & Larry Anderson, Finance Director
From: Jeff Koska, Community Services Director
RE: Proposed Utility Rates for FY 2017

In correlation with the development of the Utility Fund Fiscal Year 2017 Budget, Staff has revised the rates to complement the projected revenue requirements.

In 2006, the City Council decided utility revenues would be generated solely from utility rates and fees. This decision eliminated fund transfers from the General Fund, derived from ad valorem taxes, to the Utility Fund. A model was developed that provides good approximation of predicted revenues from historical data and cost allocations. Based on assumptions of an "average year" the model provides a good tool in setting equitable rates based on cost of services provided.

It is expected that at the end of FY 2016, revenues over O&M expenses will contribute approximately \$1,050,000 towards FY 2016 capital expenditures and debt service. FY 2016 projected capital expenditures and debt service total \$1,205,000, which exceeds net revenues by approximately \$155,000. Developer reimbursed funds cover West Water Plant major capital expenditures and are not included in this calculation. The FY 2016 Rate Stabilization Fund was utilized to subsidize the FY 2016 bond principal payments, capital expenditures and ensure stability in utility rates. However, for FY 2017 these funds now have a minimal balance as they were authorized to subsidize the completion of the Street Rehabilitation project.

FY 2017 projected revenues need to increase to cover the operational, capital and debt service related to Utilities function expenses to maintain a balanced budget. The currently estimated carry over balance from FY 2016 is \$370,000. Total FY 2017 expenses, not including CIP expenditures for West Water Treatment Plant, as they are covered by the Summit Rock PID Fund, are budgeted at \$7,502,000. If the estimated carry over funds from FY 2016 are transferred into the Rate Stabilization Fund, it will reduce the revenue required by the estimated \$370,000. By utilizing these funds to subsidize the Utility Fund expenditures, the breakeven requirement for Utility Fund revenues would require a Utility Rate increase of 14.6%.

An increase will be charged on all new service taps and low pressure grinder assemblies to cover increased expenses related to increases in brass fittings and other materials by manufactures.

The following table provides the FY 2017 proposed rates:

Proposed Rates	2016	2017	% Increase
5/8"	\$24.75	\$28.36	14.6%
1"	\$28.25	\$32.37	14.6%
1 1/2"	\$31.15	\$35.70	14.6%

Meeting Schedule

- June 28:** First Budget Workshop – 9:00 a.m.
1. Review FY2017 Draft Budget
2. Propose 2016 Tax Rate
- August 12:** Deadline for City Manager to file a Proposed Budget with City Secretary *(not less than 30-days prior to time the City Council passes the tax levy ordinance for the current fiscal year (Sept. 20). Tex LGC §102.005)*
- August 30:** Second Budget Workshop – 9:00 a.m. *(City Council shall call a public hearing on the proposed budget on a date at least 15 days after the date of filing with the City Secretary (Aug 12) and prior to the date the CC will pass the tax levy ordinance, Tex LGC §102.006)*
1. Public Hearing
2. Review FY2017 Proposed Budget
- August 30:** Regular City Council Meeting – 3:00 p.m.
1. Schedule and Announce Meeting to Adopt Tax Rate (September 20)
- September 6:** Third Budget Workshop – 9:00 a.m. (if needed)
1. Public Hearing
2. Review FY2017 Proposed Budget
- September 20:** Regular City Council Meeting – 3:00 p.m.
1. Public Hearing on the Proposed Budget
2. Adopt FY2017 Budget
3. Adopt 2016 Tax Rate
4. Approve Utility Rates

CITY OF HORSESHOE BAY

AUGUST 30, 2016

To: Mayor and City Council
From: Jeff Koska, Director of Community Services
RE: Discuss, Consider and Take Action Regarding Improvements to Yard Waste Collection Process at the Reclamation/Recycle Center and Proposed Rates

In the past couple of years increased volumes of recycled materials and yard waste (brush) have put pressure on existing resources and infrastructure. Staff has worked to ensure service levels remain high; however, it is evident that certain changes are needed to continue effective services and ensure revenues are covering expenses related to these functions. Two major issues are becoming apparent with these operations. First is the need to maintain the existing site with improved infrastructure to enhance traffic flow through the site and to make the site more customer friendly and safe. Second is to improve control over brush operations and ensure expenses cover the operation and not create an unnecessary financial burden on our garbage rates.

The current Recycling Center was constructed in 2003 and originally did not have open top containers at the location. Containers were placed at two locations for one week each spring to support an annual cleanup program. As volume increased beyond this program, it was decided in 2005 to continue the program on a continuous basis at the new recycling center. As traffic volumes have increased over the years a logistic and safety issue has developed. Staff is proposing improvements to the Center to improve the traffic routing, safer access to recycling receptacles, and make the open top containers more of a self-serving station with Juan still available to assist. The enclosure shows planned improvements to the site as proposed. Staff would like to utilize Capital funds not utilized in FY 2016 to complete the improvements, if Council approves of the plan. Expected expenses to complete the improvements are \$65,000.

Second, for the past 5 years it has become increasingly difficult to burn the volume of brush that accumulates over the year. Drought and new residents residing close to the brush site have created a very small window of opportunity each year to dispose of the brush by this method. The last two years the Staff has resorted to contracting a brush grinding contractor to complete the disposal function at a much greater cost, but safely in a matter of days. Although this service to our customers was set up purely for our resident's personal disposal, the operation began allowing contractors who serviced our customers to dump brush at the site by paying for an annual permit and based on the volume of the load. Over the years the volume has grown to levels that Staff believes is not purely from our residents. Even with the existing controls in place it is not definitive that the volume coming into the site is strictly from HSB residents. In other words, illegal dumping is taking place and our site is being taken advantage of as an easy location by landscapers and others to dump brush from outside the City limits. In addition, many times contractors have slipped unauthorized trash/junk under the brush that cost the City to remove. Currently, the revenue from Contractors is not covering expenses to grind and dispose of brush

volumes currently accumulating. In 2016 the expense to grind and dispose of the annual volume of 14,000 Cubic Yards was \$31,500 compared to past revenue from contractors of \$16,000. Staff proposes increase on site monitoring, limiting hours of operations and to significantly increase the rates for contractor permits and volume fees to better manage the operation.

Proposed Hours for BRUSH DISPOSAL

Currently: 7 days per week (except Monday Holidays) Hours 8am-12pm & 1pm-4pm.

Proposed: 3 days per week from 8 am to 2 pm: Monday, Wednesday and Friday – For Contractors only. Brush Site will remain open all 7 days per week for Residents who bring their OWN brush.

Paid Brush Station monitor will be on site while open. We will use current part-time recycle monitor.

Dump only in numbered assigned designated area to better control yard waste. Max single Resident volume is set at 10cy annually, after which tier fees below apply.

Rate increases for Contractors

Contractor Annual Dump Permit

Current \$50.00 no limit on volume. Truck = \$7.25; Trailer = 14.50; Dump truck \$130.

Proposed \$75.00 with Tiered Volume Fees based on Cubic yards,

\$1.50 per cy for first 200 cy;

\$2.50 per cy for 201cy to 400 cy;

\$5.00 per cy for over 400 cy.

*Conversion – Small truck bed 6.5'x4'x4' = 4.00 cy Max = 100cy/4.00cy = 25 truckloads;
Large bed truck 8'x4'x4.5 = 5.50 cy Max = 100cy/5.50cy = 18 truckloads;
16 ft. trailer 16'x6'x6' = 21.50 cy Max = 100/cy/21.50cy = 5 trailer loads.

Budget Impact on Revenue is expected to reduce the volume, but generate revenue sufficient to support 75% of Brush Operation expenses with only 25% of revenue requirements from garbage customers.

Proposed Changes to RECYCLING HOURS

Currently: 7 days per week (except Monday Holidays) Hours 8am-12pm & 1pm-4pm

Proposed: Monday through Friday – Hours 8am-12pm & 1pm-4pm (Same as current)
Saturday & Sunday – Hours 10am - 3pm (5 hours)

Budget Impact for increased Brush Monitoring of 11 hrs./week = annual cost of \$8,580. Staff believes the rate increase will pay for additional expenses for monitoring site.

Staff recommends Council approve the improvements to the recycling center and the proposed hours of operations for the Recycling Center and Brush Operations to be effective October 1, 2016. If approved, Staff will bring back a Budget Amendment next month to the Council to approve.

Enclosure: Map of Recycle Center Proposed Improvements

Proposed Changes to Recycling Center
