## **PUBLIC NOTICE – VOLUNTARY WATER RESTRICTION RECENSION**

City of Horseshoe Bay

Effective Date: September 23, 2022

Follow up to September 22, 2022, request for temporary water conservation in Horseshoe Bay Proper to repair unanticipated equipment failure at the Central Water Treatment Plant.

The City of Horseshoe Bay wants to thank our citizens for assisting us by following the water conservation guidelines. The voluntary conservation assistance of our citizens was an integral part of us being able to correct the unanticipated mechanical issues of our Central Water Plant quickly and efficiently. The system is again at 100% capacity after repairs.

Therefore, the City of Horseshoe Bay is able to lift the voluntary water restrictions effective upon receipt of this notice.
