

**Proclamation of the City of Horseshoe Bay  
Declaring the week of October 8-14, 2023  
as “Fire Prevention Week”**

- WHEREAS**, the City of Horseshoe Bay is committed to ensuring the safety and security of all those living in and visiting our city; and
- WHEREAS**, fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and
- WHEREAS**, two of every five home fires start in the kitchen with 31% of these fires resulting from unattended cooking, and more than half of reported non-fatal home cooking fire injuries occurred when the victims tried to fight the fire themselves; and
- WHEREAS**, children under five face a higher risk of non-fire burns associated with cooking than being burned in a cooking fire; and
- WHEREAS**, Horseshoe Bay’s residents should turn pot handles toward the back of the stove; always keep a lid nearby when cooking; keep a three-foot kid-free zone around the stove, oven, and other things that could get hot; watch what they heat; and set a timer to remind them that they are cooking; and
- WHEREAS**, residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and
- WHEREAS**, Horseshoe Bay’s first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and
- WHEREAS**, Horseshoe Bay’s residents are responsive to public education measures and are able to take personal steps to increase their safety from fire, especially in their homes; and
- WHEREAS**, the 2023 Fire Prevention Week theme, ‘Cooking safety starts with YOU. Pay attention to fire prevention.’ effectively serves to remind us to stay alert and use caution when cooking to reduce the risk of kitchen fires.
