

CITY OF HORSESHOE BAY

January 13, 2025

Dear Horseshoe Bay Neighbors,

Our thriving community faces an important challenge. As the 89th Texas Legislative Session begins tomorrow, January 14th, several proposed bills could significantly limit our city's ability to self-govern and make crucial local decisions about housing density, ETJ developments, and other matters that directly impact our quality of life.

We need your support to protect HSB's autonomy. Here's how you can help:

1. Sign up for our Speak Up! email updates by sending an email to speakup@horseshoe-bay-tx.gov with "Speak Up" in the subject line.
2. Share this message with other HSB residents who care about preserving our local decision-making power.
3. Be ready to act when we contact you about specific legislation – your voice will be crucial when reaching out to legislators.
4. Participate in upcoming town halls and meetings focused on local governance.

In the coming weeks, we'll provide targeted information about specific bills along with guidance on contacting our legislators. We'll be selective in our communications to ensure you receive only the most important updates requiring your attention.

Your engagement is vital to maintaining HSB's ability to serve its residents effectively. Please don't hesitate to reach out with any questions.

Together, we can preserve Horseshoe Bay's autonomy and continue building the community we're proud to call home.

Best regards,

Elsie Thurman

Elsie Thurman
Mayor
